**Cherished by Two Bears** Kelex, 2016-06-15 Colton McCreary's return to Bear Mountain hasn't gone as smoothly as planned. His damaged face has always caused people to stare but for some reason the looks are ten times worse coming from those at home. Those who know the McCreary name for all the wrong reasons His imperfection only adds to their distaste. He ends up hiding in the shadows as much as he can watching life passing him by. Brandon and Zander are offered a vacation in Bear Mountain to meet with the alpha. Brandon's surgical skills have him courted by Declan and many in town with hopes the pair will move there and take over the new wing of the clinic. Upon arrival they immediately see Colton and know he's their third from their first glance. Brandon's ready to stay. Zander's less sure. Bear Mountain could be their home. Between less than welcoming bear shifters and werewolf attacks at the borders of the new wall and the threat of war to come Zander fears they need to get out while the getting's good. Will there be enough time for the three to find a way to come together before violence erupts?

**Echo and the Homicidal Sea Panda** Kelex, 2025-04-24 After Echo Fisher loses his grandfather he stumbles on a journal detailing the location of a hidden underwater cave filled with priceless dolphinkind relics. The only issue? It's in orca waters. Crossing the boundary could start another war but the need to prove his grandfather wasn't the flake everyone in the pod thought pushes him to do the unthinkable. During his regular patrols Maelstrom Marino notices the little dolphin shifter sitting close to the line spying on orca waters. When Echo finally gets the nerve to cross the boundary Mael swoops in but almost too late. Another predator has Echo in their sights and they're a lot closer than he is. Echo barely makes it out of orca waters alive but the danger is only beginning. The following night the orca who saved him shows up and demands to know what was so important that he'd threatened the treaty. Mael won't leave without answers and he's not against persuasive seduction to get what he wants.
