V., Beste 100, 2022 Groundbreaking work from the fields of corporate design advertising and graphic arts Every year the association 100 Beste Plakate e V recognizes the most innovative and trendsetting poster designs from Germany Austria and Switzerland in its annual awards Its yearbook has become the established go to source for graphic artists designers and advertisers Even today the traditional printed poster is still regarded as the ultimate challenge in the graphic arts Even though cultural life was still affected by the pandemic in 2021 museums and theaters kept their doors open most of the time to brighten people s lives with exhibitions and performances As a result the advertisements and announcements designed for these shows made up the bulk of the entries for the competition They provide an overview of the hottest trends and finest designs in poster art in German speaking countries Posters for cultural events explore the scope of imaginative image creation by using graphic typographic and photographic elements in exciting ways In addition to shedding light on design trends the award winning posters also address issues of historical and topical concern that were relevant to the world of culture in 2021 Thus the pioneering silent movies The Cabinet of Dr Cagliari and Nosferatu were released 100 years ago and the 50th anniversary of the introduction of women s suffrage offered a welcome opportunity to give visual expression to questions about the progress of gender equality Text in English and German **100 Best Posters 19** 100 BESTE PLAKATE E. V., 2020-08 Groundbreaking corporate design advertising author graphics and poster art Explores how designs can be described in words Every year the association 100 Beste Plakate e V presents awards to honor the most innovative and trendsetting poster designs from Germany Austria and Switzerland The yearbook has fast become the go to source for

graphic artists designers and advertisers Even today the traditional printed poster is still regarded as the ultimate challenge in the graphic arts The 2019 yearbook focuses on how designs can be described verbally What is the relationship between language and image How can visual codes and phenomena or trends be captured in words Thirty designers curators artists architects and theorists were invited to join the project and to describe the selected posters The purpose of this exercise was not to come up with a standard jury statement but to point out ways of interacting personally with the poster either by offering an objective description or by delivering a subjective critique in the form of an essay Florian Lamm and Jakob Kirch who created this year's book have translated this conceptual task into their design by dividing the catalogue into two parts While the 30 text contributions have been united in a booklet a separate image section presents the corresponding posters Text in English and German [Posters by Members of the Alliance Graphique Internationale, 1960-1985](#) Alliance graphique internationale, 1986
