**Trumped: A Political Fantasy** Lisa Nowak, 2017-09-19 When veteran reporter Beth Bartlet receives an email from a source claiming the scoop of the century she regards it with the skepticism it deserves What she doesn't expect is for that claim to lead to a story or for the story to trigger the potential downfall of America's most controversial president The Authenticity Industries Michael Serazio, 2023-11-07 In recent decades authenticity has become an American obsession It animates thirty years worth of reality TV programming and fuels the explosive virality of one hot social media app after another It characterizes Donald Trump's willful disregard for political correctness and proofreading and inspires multinational corporations to stake activist claims in ways that few woke brands ever dared before It buttresses a multibillion dollar influencer industry of everyday folks shilling their friends with sponcon and burnishes the street cred of rock stars and rappers alike But ironically authenticity's not actually real it's as fabricated as it is ubiquitous In The Authenticity Industries journalist and scholar Michael Serazio combines eye-opening reporting and lively prose to take readers behind the scenes with those who make reality and the ways it tries to influence us Drawing upon dozens of rare interviews with campaign consultants advertising executives tech company leadership and entertainment industry gatekeepers the book slyly investigates the professionals and practices that make people products and platforms seem authentic in today's media culture and politics The result is a spotlight on the power of authenticity in today's media saturated world and the strategies to satisfy this widespread yearning In theory authenticity might represent the central moral framework of our time allaying anxieties about self and society culture and commerce and technology and humanity It infects and informs our ideals of celebrity aesthetics privacy nostalgia and populism And Serazio reveals how these pretenses are crafted backstage for audiences consumers and voters **I Think We Missed Our Turn** L.A. Witt, 2021-02-03 Despite their mutual attraction Marques Williams and Armin Jahani agreed a long time ago that they were better off as friends They don't want to risk their friendship and they definitely don't want things getting awkward at the art gallery where they work But even as they've moved on with their lives they've both quietly regretted that decision When Armin's father scores the gallery a collection of sculptures from a renowned and reclusive artist he sends Armin and Marques on the road to pick them up As the two friends embark on a multi-state trip they each assume the other is still with his longtime partner Armin doesn't know that Marques's now ex-boyfriend is moving out Marques doesn't know that the last fraying threads of Armin's relationship have snapped Secretly they pine for each other from across the console of their rental car each wishing they hadn't missed the chance to be together years ago But maybe they haven't missed that chance after all **I Think We Missed Our Turn** is a short and fun 36,000 word novella with a happy ending and no cheating **The Breakaway** Jennifer Weiner, 2024-05-07 From 1 New York Times bestselling author Jennifer Weiner comes a warmhearted and empowering new novel about love family friendship secrets and a life-changing journey Thirty-three year old Abby Stern has made it to a happy place True she still has gig jobs instead of a

career and the apartment where she's lived since college still looks like she's just moved in. But she's got good friends, her bike, and her bicycling club in Philadelphia. She's at peace with her plus-size body at least most of the time, and she's on track to marry Mark Medoff, her childhood sweetheart, a man she met at the weight loss camp that her perpetually dieting mother forced her to attend. Fifteen years after her final summer at Camp Golden Hills, when Abby reconnects with a half his size Mark, it feels like the happy ending she's always wanted. Yet Abby can't escape the feeling that something isn't right, or the memories of one thrilling night she spent with a man named Sebastian two years previously. When Abby gets a last minute invitation to lead a cycling trip from NYC to Niagara Falls, she's happy to have time away from Mark, a chance to reflect and make up her mind. But things get complicated fast. First Abby spots a familiar face in the group: Sebastian, the one-night stand she thought she'd never see again. Sebastian is a serial dater who lives a hundred miles away. In spite of their undeniable chemistry, Abby is determined to keep her distance. Then there's a surprise last minute addition to the trip: her mother, Eileen, the woman Abby blames for a lifetime of body shaming and insecurities she's still trying to undo. Over two weeks and more than seven hundred miles, strangers become friends, hidden truths come to light, a teenage girl with a secret unites the riders in unexpected ways, and Abby is forced to reconsider everything she believes about herself, her mother, and the nature of love.

**A Thousand Small Sanities** Adam Gopnik, 2019-05-14 A stirring defense of liberalism against the dogmatism of our time from an award-winning and New York Times bestselling author. Not since the early twentieth century has liberalism and liberals been under such relentless attack from both right and left. The crisis of democracy in our era has produced a crisis of faith in liberal institutions and even worse in liberal thought. *A Thousand Small Sanities* is a manifesto rooted in the lives of people who invented and extended the liberal tradition. Taking us from Montaigne to Mill and from Middlemarch to the civil rights movement, Adam Gopnik argues that liberalism is not a form of centrism nor simply another word for free markets nor merely a term denoting a set of rights. It is something far more ambitious: the search for radical change by humane measures. Gopnik shows us why liberalism is one of the great moral adventures in human history and why, in an age of autocracy, our

lives may depend on its continuation      Tuff Stuff 2005 Standard Catalog of Football Cards Steve Bloedow,2004 Features cards from the NFL CFL and USFL as well as from college food issues regional issues and more Includes listings from Fleer Topps Upper Deck Pacific Donruss Playoff Press Pass and SAGE Bonus single player checklists for Brett Favre Michael Vick and Emmitt Smith      **Hunter: A Steamy M/M Contemporary Escort Hockey Romance** L.A.
