**Fight Oligarchy** Senator Bernie Sanders,2025-09-30 Oligarchy is a system in which a small number of extremely wealthy individuals control the economic political and media life of a nation It is a system in which ordinary people have very little power to determine the future of their country If you re an American it is the system in which you re living That must change In the wealthiest nation on earth we must build a political movement that creates a government that represents all Americans not just a handful of billionaires Bernie Sanders NEW YORK TIMES BESTSELLER Senator Bernie Sanders breaks

down the unprecedented crises we face today in Trump's America as Trump undermines democracy at every turn and how we can effectively fight back. From the moment that Sanders began his Fighting Oligarchy tour in the early days of the Trump administration, it was clear that his message resonated with Americans across the political spectrum. Record-breaking crowds numbering in the tens of thousands showed up across the country. Large numbers of Americans in red states and blue states were prepared to stand up and fight back. In this book, he shows how we can continue that fight. In a series of short, pointed chapters, Sanders explains how the United States today is an oligarchic society in which a small handful of multibillionaires exercise enormous economic and political power. He describes what it means when the very rich get much richer while the majority of Americans struggle to pay the rent and put food on the table. And he observes how a corrupt campaign finance system allows billionaires in both parties to increasingly control our political system. Sanders also discusses how under Trump we are rapidly moving toward authoritarianism with a president who is undermining our democracy as he attacks Congress, the courts, the media, and law firms and universities in search of more and more power for himself. With relentless optimism and focused energy, Sanders reminds readers that true power rests with the people and he presents a path forward to a reinvigorated democracy.

**The Essential Bernie Sanders and His Vision for America** Jonathan Tasini, 2015-08-24

Meet the essential Bernie Sanders, an authentic and uncompromising champion of the people. Independent United States Senator Bernie Sanders, with a thirty-five year career in public service, first as Burlington, Vermont's mayor, then as Vermont's sole representative to Congress, and currently as a United States senator, is now campaigning to become president of the United States. His goal is to build a movement to take back our country from the rich and powerful and return it to its rightful owners: we, the American people. Sanders' common-sense populist message is resonating with Democrats, Republicans, independents, as well as ordinary working and middle-class Americans from all walks of life, including millennials, seniors, veterans, immigrants, environmentalists, union workers, and more. In this short, accessible book, author Jonathan Tasini draws heavily from Sanders' ample public record of speeches, statements, and interviews and couples his working-class spirit with specific legislation he has championed. On a number of core proposals that comprise a broader people's agenda for America, including a national single-payer health care system, free public higher education, taking on wealth and income inequality, preserving Social Security, caring for our veterans, ensuring civil rights for all, combatting climate change, reforming Wall Street, and much more, *The Essential Bernie Sanders and His Vision for America* is a must-read for anyone who shares a vision for a forward-looking, sustainable and more just United States of America and is eager to change the course of history.
