Bernie Sanders Album:

The Soundtrack Album Paul N. Reinsch, Laurel Westrup, 2020-02-17 The Soundtrack Album Listening to Media offers the first sustained exploration of the soundtrack album as a distinctive form of media Soundtrack albums have been part of our media and musical landscape for decades enduring across formats from vinyl and 8 tracks to streaming playlists This book makes the case that soundtrack albums are more than promotional tools for films television shows or video games they are complex media texts that reward a detailed analysis The collection's contributors explore a diverse range of soundtrack albums from Super Fly to Stranger Things revealing how these albums change our understanding of the music and film industries and the audio visual relationships that drive them An excellent resource for students of Music Media Studies and Film Screen Media courses The Soundtrack Album offers interdisciplinary perspectives and opens new areas for exploration in music and media studies

R.E.M. Album by Album Max Pilley, 2023-03-23 From cowriting introverted founders of the alternative rock movement to one of the twenty best selling American bands of all time the story of R E M covers three decades two generations and the passions of millions First they lifted a humble Southern college town into myth re calibrating rock music at the moment that it threatened to reach the point of terminal excess and then unsatisfied they carried their progressive ideology right into the heart of mainstream popular culture selling over 85 million records and winning universal acclaim along the way totally without compromise R E M Album by Album tells that story tracing the band from its formation in 1980 when four young men sought respite from the difficulties of real life by starting a covers band right up until their eventual split in 2011 shedding new light on the lyrical and musical development of the band as artists from their esoteric early masterpieces to the moment that they signed the world's largest ever recording contract For the very first time too we examine the first decade after the band's demise scrutinizing the shifting sands of their legacy as the dust settles on one of pop music's most extraordinary careers

Going Up the Country Yvonne Daley, 2018-06-05 Going Up the Country is part oral history part nostalgia tinged narrative and part clear eyed analysis of the multifaceted phenomena collectively referred to as the counterculture movement in Vermont This is the story of how young migrants largely from the cities and suburbs of New York and Massachusetts turned their backs on the establishment of the 1950s and moved to the backwoods of rural Vermont spawning a revolution in lifestyle politics sexuality and business practices that would have a profound impact on both the state and the nation The movement brought hippies back to the landers political radicals sexual libertines and utopians to a previously conservative state and led us to today's farm to table way of life environmental consciousness and progressive politics as championed by Bernie Sanders
