Luppen,2024-01-23 An inside story of the Democratic Party at a moment of great peril Even before the cataclysmic 2016 election the Democratic Party had long been at war with itself yet Joe Biden s narrow victory in 2020 bridged the divide Facing the dire threat of a second Trump administration Democrats forged an unlikely but effective coalition that stalled Trumpism at the ballot box and enacted a raft of consequential legislation But how long can the uneasy peace hold and can Biden win again The Truce is a definitive history of a half decade of upheaval in the Democratic Party in which a new generation aggressively pursued their progressive ideals while the powerful centrist establishment adapted to remain in command Journalists Hunter Walker and Luppe B Luppen illuminate this story of backroom maneuvering and political strategy with new revelations about pivotal events and exclusive on the record comments from activists campaign operatives and members of Congress The Truce explores the major fault lines that define Democratic politics today and asks big questions about the future of the party Will economic or social justice hold primacy at the top of the Democratic agenda Who will lead the major wings of the party after two defining figures Biden and Sanders exit the stage The Truce surveys the major shifts underway from the rise of the Squad and new Democratic leadership in the House to a complete overhaul of the primary process By digging into the divide between left and center Walker and Luppen expose the creeping generational and political tensions that Biden has for the moment kept at bay An engrossing work and a surprising page turner The Truce grapples with the dangers that threaten American democracy and the complicated cast of characters who are trying to save it

The American Political Party System Michael C. LeMay,2017-06-22 What historical factors transformed American politics into the institution we know today This in depth look at America s party system traces its efficacy sustainability and popularity through six influential presidencies spanning 1790 to the present day Did President Obama s election serve as the impetus to the development of a seventh political party system This compelling text sheds light on the American political process as seen through the lens of six pivotal presidencies that shaped America s culture politics and society and considers how our current president may be the latest transformative leader in this lineage Covering two centuries of politics the work offers insight into the American political machine and reveals how and why the two party system became so dominant in American politics Topics include the media s focus on the horse race aspect of elections the declining importance of party identification and the impact of the geographical split that results in swing states and gerrymandered districts The work begins by dividing 200 years of politics into 6 periods influenced by a transformative president and discussing the profile of the party system in each era The next section presents essays contributed by activists across a myriad of political parties and profiles leading political actors and organizations The final section includes tables primary source documents reference lists a detailed glossary and a timeline of the development of American political parties that help elucidate the text and show the role political parties have played throughout history

The Uprising David Sirota,2009-04-28 An all access pass to the

populist insurrection brewing across the country Job outsourcing Slashed paychecks A war without end fatally mismanaged Americans on both the Right and Left are tired of being disenfranchised by corrupt politicians and are organizing to change the status quo In his invigorating new book David Sirota investigates this uprising taking us into the trenches where real change is happening in the headquarters of the most powerful third party in America at an ExxonMobil shareholder meeting and on the quasi military staging area of a vigilante force on the Mexican border The Uprising is essential reading for anyone who wants to look beyond presidential politics at the new populism that is reshaping the American political landscape

The Fighting Soul Ari Rabin-Havt,2022-04-26 Rabin Havt offers an intimate portrait of his cranky boss writing about everything from Sanders s famous mittens to his love of picket lines and Motown songs to his distaste for the inane droning of cable news commentators to his prescient fear that Donald Trump was nuts and would upend democracy Maureen Dowd New York Times The Fighting Soul is an unforgettable chronicle of life on the road with Bernie Sanders and the first in depth portrait of this fiercely independent and famously private left wing firebrand As a close advisor and deputy campaign manager on Sanders s most recent presidential campaign the tireless Ari Rabin Havt spent more hours between 2017 and 2020 with the Vermont senator than anyone else The Fighting Soul is a behind the scenes account of Sanders s run including his heart attack in Las Vegas his notorious debate encounter with fellow progressive Elizabeth Warren and a momentous private conversation between Sanders and Barack Obama Revelatory and heartfelt The Fighting Soul depicts the rare politician motivated by principle not power

Campaign for President The Institute of Politics at the Harvard Kennedy School,2017-06-29 In this book a distinguished group of presidential campaign staff journalists and political observers take us inside the 2016 race for the Republican and Democratic nominations and general election guiding us through each candidate s campaign from the time each candidate announced his or her intention to seek the presidency through the primaries conventions and up to election day Meeting under the auspices of the Harvard University s Institute of Politics the candid discussion allows us to learn about the motivations of each candidate strategies they deployed and lessons they learned In addition representatives from the major SUPERPACS share their strategies and evaluate their impact in an election characterized by unprecedented campaign spending Campaign for President The Managers Look at 2016 is essential reading for anyone interested in the inner workings of national political campaigns

Where We Go from Here Bernie Sanders,2018-11-27 The inspiring national bestseller from the U S Senator and leading Democratic candidate for president about the fierce fight for democracy and social justice and what we need to do next In Where We Go from Here New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day by day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump s reactionary agenda and for a government that works for all not just wealthy campaign contributors At home Sanders has helped lead the fight for Medicare for all fought for workers desperate for higher wages and supported immigrants in the

DACA program and children affected by gun violence He has stood with the people of Puerto Rico devastated by Hurricane Maria as well as veterans teachers the incarcerated the persecuted and all those who are too often ignored by Washington Abroad his voice has been clear that we need a foreign policy that strives for peace not war and international cooperation to address the crisis of climate change The good news is we're making progress People all across America are standing up to the most dishonest and reactionary president in our history They're taking on establishment politicians who've turned a blind eye to the concerns of everyday citizens They're fighting back against the oligarchs of Wall Street who would happily see our children do worse than their parents so long as the Dow does better And the general public continually demonstrates that we are more united than the media would allow us to believe and what we agree on are largely progressive ideals Maintaining a vibrant democracy has never been easy and in these dangerous and unprecedented times it has been more difficult than ever Bernie Sanders shows however that we can repair the damage Trump has done and create a nation based on the principles of economic social racial and environmental justice
