Bernie Sanders Job Creation:

The Case for a Job Guarantee Pavlina R. Tcherneva,2020-06-05 One of the most enduring ideas in economics is that unemployment is both unavoidable and necessary for the smooth functioning of the economy This assumption has provided cover for the devastating social and economic costs of job insecurity It is also false In this book leading expert Pavlina R Tcherneva challenges us to imagine a world where the phantom of unemployment is banished and anyone who seeks decent living wage work can find it guaranteed This is the aim of the Job Guarantee proposal to provide a voluntary employment opportunity in public service to anyone who needs it Tcherneva enumerates the many advantages of the Job Guarantee over the status quo and proposes a blueprint for its implementation within the wider context of the need for a Green New Deal This compact primer is the ultimate guide to the benefits of one of the most transformative public policies being discussed today It is essential reading for all citizens and activists who are passionate about social justice and building a fairer economy

Congressional Record United States. Congress,2012 **Bernie's Speech** Bernie Sanders,2015-06-01 This book contains the groundbreaking and historical speech Senator Bernie Sanders made in opposition of the Tax Relief Unemployment Insurance Reauthorization and Job Creation Act of 2010 a proposed extension of the Bush era tax rates The speech itself was 8 hours and more than 70 000 words advocating for reform in corporate finance and proposing a stronger middle class

Concurrent Resolution on the Budget ... United States. Congress. Committee on the

Budget,2015 **Today's Economic Issues** Nancy S. Lind,Erik T. Rankin,Gardenia Harris,2016-08-15 What are the real differences between the Democrats and the Republicans on major economic issues that influence the character and vitality of the American economy This volume answers this question in a thorough nonpartisan and evenhanded fashion Both the Democratic and Republican parties proclaim that they have the best interests of the nation and its people at heart Both are also adamant that they have the best proposals and positions on economic policies including taxation spending priorities wages business regulation and other influences on economic growth and household finances This volume carefully examines the two parties respective policies providing a detailed yet readable and understandable look at how the parties agree disagree and find compromise on the broad range of problems and issues facing American society in the 21st century Each entry includes an infographic that offers bulleted at a glance summaries of the two parties positions on each issue today an Issue Overview providing basic definitions and background for understanding the debate on each issue and a main entry that explains prevailing party sentiments the diversity of opinion within each party and the shifts in party position on that issue over time Selected entries also feature informative sidebars that supply additional content such as primary documents that showcase the viewpoints of key political figures and institutions or biographical profiles of individuals who have helped shape their party s policies on the issue in question **Against Doom** Jeremy Brecher,2017-04-15 While the world s people suffer the apocalyptic torments of floods fires droughts heatwaves desertification disease vectors food shortages forced migration

ecosystem collapse extinction and other effects of uncontrolled climate change the world s governmental and political leaders continue to accelerate our wild ride to climate doom Is there any way for the rest of us to put on the brakes Climate insurgency is a strategy for using people power to realize our common interest in protecting the climate It uses mass global nonviolent action to challenge the legitimacy of public and corporate officials who are perpetrating climate destruction A global climate insurgency has already begun It has the potential to halt and roll back the fossil fuel agenda and the global thrust toward climate destruction Against Doom A Climate Insurgency Manual tells how to put that strategy into action and how it can succeed It is a handbook for halting global warming and restoring our climate a how to for climate insurgents
