Our Revolution Bernard Sanders, 2016-11-15 An inside account of Sanders extraordinary campaign and a blueprint for future political action

Where We Go from Here Bernie Sanders, 2018-11-27 The inspiring national bestseller from the U S Senator and leading Democratic candidate for president about the fierce fight for democracy and social justice and what we need to do next In *Where We Go from Here* New York Times bestselling author Bernie Sanders reveals the blueprint for his 2020 presidential run by chronicling the day by day struggles that he and his progressive colleagues have waged over the last two years in the fight against Donald Trump s reactionary agenda and for a government that works for all not just wealthy campaign contributors At home Sanders has helped lead the fight for Medicare for all fought for workers desperate for higher wages and supported immigrants in the DACA program and children affected by gun violence He has stood with the people of Puerto Rico devastated by Hurricane Maria as well as veterans teachers the incarcerated the persecuted and all those who are too often ignored by Washington Abroad his voice has been clear that we need a foreign policy that strives for peace not war and international cooperation to address the crisis of climate change The good news is we re making progress People all across America are standing up to the most dishonest and reactionary president in our history They re taking on

establishment politicians who've turned a blind eye to the concerns of everyday citizens. They're fighting back against the oligarchs of Wall Street who would happily see our children do worse than their parents so long as the Dow does better. And the general public continually demonstrates that we are more united than the media would allow us to believe and what we agree on are largely progressive ideals. Maintaining a vibrant democracy has never been easy and in these dangerous and unprecedented times it has been more difficult than ever. Bernie Sanders shows however that we can repair the damage Trump has done and create a nation based on the principles of economic, social, racial, and environmental justice.

Why Bernie Sanders Matters Harry Jaffe, 2015-12-22. Missionary, Radical, Hippy, Revolutionary, Red, Mayor, Pragmatist, Socialist. Hot from the campaign trail, a vivid new biography that goes inside Bernie Sanders's contradictions, his unusual life and his electrifying quest to make the American dream a reality for all. Vermont Senator Bernie Sanders may be the least political person in politics, a brusque, unpolished Jewish Socialist from Brooklyn with deep-seated convictions and distaste for small talk. He is also at seventy-four the rising star of the Democratic party whose underdog bid for the presidential nomination has hit the marks of a serious contender. He's competitive with and in some cases leading Hillary Clinton in early state polls. He's closed the fundraising gap and is drawing crowds of thousands to campaign rallies. Why? Because where most candidates are calculating and rehearsed, Sanders is frank, authentic, and impassioned. For thirty years he has spoken out against income inequality, environmental injustice, and privatized healthcare. Now, amid an ever-widening chasm between the rich and the rest and growing voter disenchantment, the country is listening. With reporting from inside the campaign, personal relationships with Sanders's friends and colleagues, and meticulous research, noted reporter Harry Jaffe offers an engaging, insightful portrait of the ultimate outsider candidate, charting Sanders's course from Brooklyn to Burlington and now to Des Moines and beyond. Within the untold narrative of Sanders's origins and political development, he also examines the growth of the progressive movement and the recent developments including the Occupy movement, the Great Recession, and the rise of the millennial generation that have shifted Sanders's views from fringe to focal point. At once a captivating biography and a thought-provoking window into the contemporary political landscape, this will become the defining account of a pivotal moment in American history.

We're Coming for You and Your Rotten System Jonathan Rosenblum, 2025-09-23. In the heart of a modern state, a Marxist movement takes root. What unfolds when such a movement ascends to power and what insights can today's political activists glean from this experience? *Revolutionaries in the Halls of Power* by Jonathan Rosenblum offers a gripping narrative of Seattle's transformative journey from 2014 to 2024. For 10 years, the US city of Seattle served as a laboratory for this unusual political experiment with the election of Kshama Sawant, a member of Socialist Alternative to Seattle City Council. Despite being vastly outnumbered on the council, Sawant and her organization took on the political establishment and corporate titans like Amazon and Starbucks. They secured historic victories for working people, implementing a \$15 minimum wage, imposing a tax on Amazon to fund social housing, and enacting groundbreaking renters

rights legislation Sawant's movement improbably steered the city's political discourse for a decade through three intense reelection campaigns Sawant's strategy diverged from that of modern day reform socialists by leaning into the revolutionary lessons and experiences of Marxist theorists and practitioners over the past 175 years Her approach was grounded in three pillars a class struggle mindset to navigate an unfriendly political system bold demands that link core material needs of the working class to the broader quest for socialist change and a commitment to grassroots democracy to propel legislation forward These pillars while not new to socialist thinking marked a fresh application in the U S political context This book sheds light on how Marxist theory fueled this decade long movement With an insider's view from working within Sawant's Council office and alongside core activists Rosenblum provides a deeply informed perspective For political activists searching desperately to make sense of the world the Seattle experience provides a roadmap a way to fight back a ray of hope in the despairing miasma of 21st Century capitalism
