Focus On: 100 Most Popular 20Th-century American Politicians Wikipedia contributors, Hillary Clinton's Career in Speeches Shawn J. Parry-Giles,David S Kaufer,Xizhen Cai,2023-09-01 Women candidates are under more pressure to communicate competence and likability than men And when women balance these rhetorical pressures charges of inauthenticity creep in suggesting the structural and strategic anti woman backlash at play in presidential politics Hillary Clinton demonstrated considerable ability to adapt her rhetoric across roles contexts genres and audiences Comparisons between Clinton s campaign speeches and those of her presidential opponents Barack Obama Bernie Sanders and Donald Trump show that her rhetorical range exceeded theirs And comparisons with Democratic women candidates of 2020 suggest they too exhibited a rhetorical range and faced a backlash similar to Clinton Hillary Clinton s Career in Speeches combines statistical text mining methods with close reading to analyze the rhetorical highs and lows of one of the most successful political women in U S history Drawing on Clinton s oratory across governing and campaigning the authors debunk the

stereotype that she was a wooden and insufferably wonkish speaker They marshal evidence for the argument that the sexist tactics in American politics function to turn women's rhetorical strengths into political liabilities **Beyond the Valley** Ramesh Srinivasan, 2020-09-01 How to repair the disconnect between designers and users producers and consumers and tech elites and the rest of us toward a more democratic internet In this provocative book Ramesh Srinivasan describes the internet as both an enabler of frictionless efficiency and a dirty tangle of politics economics and other inefficient inharmonious human activities We may love the immediacy of Google search results the convenience of buying from Amazon and the elegance and power of our Apple devices but it's a one way top down process We're not asked for our input or our opinions only for our data The internet is brought to us by wealthy technologists in Silicon Valley and China It's time Srinivasan argues that we think in terms beyond the Valley Srinivasan focuses on the disconnection he sees between designers and users producers and consumers and tech elites and the rest of us The recent Cambridge Analytica and Russian misinformation scandals exemplify the imbalance of a digital world that puts profits before inclusivity and democracy In search of a more democratic internet Srinivasan takes us to the mountains of Oaxaca East and West Africa China Scandinavia North America and elsewhere visiting the design labs of rural low income and indigenous people around the world He talks to a range of high profile public figures including Elizabeth Warren David Axelrod Eric Holder Noam Chomsky Lawrence Lessig and the founders of Reddit as well as community organizers labor leaders and human rights activists To make a better internet Srinivasan says we need a new ethic of diversity openness and inclusivity empowering those now excluded from decisions about how technologies are designed who profits from them and who are surveilled and exploited by them

America vs. Americans Eric Wade, 2024-02-06 In America vs Americans Eric Wade presents American Laborism a revolutionary new economic system where the greatest commodity isn't cash it's work Capitalism is broken Despite its successes capitalism gives us the largest wealth gap in American history failing Social Security a weak currency and a looming threat of AI destroying our workforce We need a new system one built around people rather than capital A system that values each person's unique contribution ingenuity and hard work their labor A system in which the greatest commodity isn't cash it's work And a system in which Americans at every level of society and government are working together We need American Laborism a revolutionary new system that presents a workable low tax form of capitalism for those who want it and a dignified healthy happy and fulfilled life for everyone else Under American Laborism if you're happy with the current capitalist system great Carry on but you'll get to do it with a smaller government fewer regulations better educated employees and lower taxes And if capitalism hasn't worked out as well for you you get access to unlimited free education and training guaranteed housing and food and a sound asset backed currency Everybody wins American Laborism isn't just a replacement for capitalism It's an upgrade Every American has the right to live a life of dignity to contribute and to ensure that their basic needs are respected by their society American Laborism can improve the lives of every American by bringing

the least among us up without bringing anyone else down It s time to heal our nation It s time for American Laborism

**Our common wealth** Thomas M. Hanna,2018-09-10 Public ownership is more widespread and popular in the United States than is commonly understood This book is the most comprehensive and up to date analysis of the scope and scale of US public ownership debunking frequent misconceptions about the alleged inefficiency and underperformance of public ownership and arguing that it offers powerful flexible solutions to current problems of inequality instability and unsustainability explaining why after decades of privatization it is making a comeback including in the agenda of Jeremy Corbyn s Labour Party in Britain Hanna offers a vision of deploying new forms of democratized public ownership broadly across multiple sectors as a key ingredient of any next system beyond corporate capitalism This book is a valuable extensively researched resource that sets out the past record and future possibilities of public ownership at a time when ever more people are searching for answers
