the human condition that we refer to as life and fail to realize that everything happens for a reason God has a plan for you he has a plan me There s a plan for all of us I am a radical follower of Christ with whom I have a deep and intimate connection In him I will store all of my faith for the remainder of my days Ivan King Author s Favorite Quote Life is a comedy to those who think a tragedy to those who feel christianity christianity free mere christianity core christianity history of christianity christianity books christianity books free christianity books for women christianity [Great Christian Books](#) Hugh Martin,1946 *Making the Best of It: Following Christ in the Real World* John G. Stackhouse,2008-03-05 What should be the Christian s attitude toward society When so much of our contemporary culture is at odds with Christian beliefs and mores it may seem that serious Christians now have only two choices transform society completely according to Christian values or retreat into the cloister of sectarian fellowship In *Making the Best of It* John Stackhouse explores the history of the Christian encounter with society the biblical record and various theological models of cultural engagement to offer a more balanced and fruitful alternative to these extremes He argues that rather than trying to root up the weeds in the cultural field or trying to shun them Christians should practice persistence in gardening God s world and building toward the New Jerusalem Examining the lives and works of C S Lewis Reinhold Niebuhr and Dietrich Bonhoeffer for example and direction Stackhouse suggests that our mission is to make the most of life in the world in cooperation with God s own mission of redeeming the world he loves This model takes seriously the pattern of God s activity in the Bible and in subsequent history of working through earthly means through individuals communities and institutions that are deeply flawed but nonetheless capable of accomplishing God s purposes Christians must find a way to live in this world and at the same time do work that honors God and God s plan for us In an era of increasing religious and cultural tensions both internationally and domestically the model that Stackhouse develops discourages the all or nothing attitudes that afflict so much of contemporary Christianity Instead he offers a fresh and refreshingly nuanced take on the question of what it means to be a Christian in the world today

[Good Faith](#) David Kinnaman,Gabe Lyons,2017-11-07 Many Christians today feel overwhelmed as they try to live faithfully in a culture that seems increasingly hostile to their beliefs Politics marriage sexuality religious freedom with an ever growing list of contentious issues believers find it harder than ever to hold on to their convictions while treating their friends neighbors coworkers and even family members who disagree with respect and compassion This isn t just a problem that affects individual Christians if left unaddressed the growing gap between the faithful and society s tolerance for public faith will have lasting consequences for the church in America Now the bestselling authors of *unChristian* turn their data driven insights toward the thorny question of how Christians talk with people they know and love about the most toxic issues of our day They help today s disciples understand what they believe and why and how to keep believing it without being judgmental and defensive Readers will discover the most significant trends that offer both obstacles and opportunities to God s people and how not only to challenge culture but to create and renew it for the common good Perhaps most importantly David

Kinnaman and Gabe Lyons invite fellow Christians to understand the heart behind opposing views and show them how to be loving life giving friends despite profound differences This will be the go to book for young adult and older believers who don't want to hide from culture but to engage and restore it

The Great Gain of Godliness Thomas Watson,2025-06-01 As Paul wrote to his young disciple and co laborer Timothy godliness is a great gain But in what respect is godliness a great gain And how can a Christian attain the biblical godliness that is gainful Watson starts with the most unexpected ingredient by any modern Christian the fear of God and explains why and how the fear of God obtains for the true believer that godliness that is a great gain Then he continues to sketch the portrait of the true godliness by talking about how that believer things talks and acts in the light of that Gospel fear But Watson does not stop here He discusses then what is the great gain about the true biblical godliness and he does this in a marvelous way atypical Puritan approach You cannot put this book down once you start reading it This book was originally published in 1681 This edition has been proofread typeset for eBook readers and lightly updated for modern readers

The Love of Christ David Harsha,2025-05-30 In a world that abuses so much the very idea and scriptural doctrine of the love of Christ David Harsha gets us back to what the love of the Savior really means and what is the cost associated with it The author travels with us from the Incarnation of the Son of God through His sufferings and death and applies it to the bestowment of grace to the sinner But he does not stop there He expounds then on how the love of Christ brings comfort in the believer's life in many circumstances from the moments of joy and happiness to those times of affliction and even death He adds then over 25 witnesses of the love of Christ from the history of the Church and ends with bringing the reader to the perspective of being with Christ in glory the very blessedness of the saints This book was originally published in 1857 This edition has been proofread typeset for eBook readers and lightly updated for modern readers

The Very Good Gospel Lisa Sharon Harper,2016-06-07 God once declared everything in the world very good Can you imagine it A Vision of Hope for a Broken World Shalom is what God declared Shalom is what the Kingdom of God looks like Shalom is when all people have enough It

s when families are healed It s when churches schools and public policies protect human dignity Shalom is when the image of God is recognized in every single human Shalom is our calling as followers of Jesus s gospel It is the vision God set forth in the Garden and the restoration God desires for every relationship What can we do to bring shalom to our nations our communities and our souls Through a careful exploration of biblical text particularly the first three chapters of Genesis Lisa Sharon Harper shows us what very good can look like today even after the Fall Because despite our anxious minds despite division and threats of violence God s vision remains Wholeness for a hurting world Peace for a fearful soul Shalom The Gospel of Genesis Henry Law,2025-05-30 What has Genesis in common with the Christ of the New Testament How are we to read and understand the book of Genesis in the wider perspective of God s redemptive plan for humanity We are taught in the New Testament that everything in this Universe was created through Christ But apart from that is there anything else about Christ in the book of Genesis Henry Law dean of Gloucester in the 18th century drives us through the book of Genesis to discover together The Gospel of Genesis to help us see how the Word of God reveals in a prophetic and typical manner the plan of redemption made even before the creation of this Universe This book was originally published in 1867 This edition has been proofread typeset for eBook readers and lightly updated for modern readers **The Missionary Review of the World** ,1903 **The Gospel of Numbers** Henry Law,2025-05-30 The book of Numbers is probably the least read known and studied book of the Scripture in spite of its rich prophetic and typical references to the Gospel of Jesus Christ When you read this book through the lens of the New Testament and keep in mind the eternal plan of redemption that unfolds progressively through the Scripture you cannot escape the fact that the book of Numbers must play its proper role in this unfolding of that plan Are you prepared to meet Christ in the book of Numbers Prepare then yourself to be surprised to find out how much this book speaks of Christ and the Gospel Henry Law dean of Gloucester in the 18th century drives us through the The Gospel of Numbers to help us see how the Word of God reveals in a prophetic and typical manner the plan of redemption made even before the creation of this Universe And Christ is at the very epicenter of this This book was published originally in 1867 This edition has been proofread typeset for eBook readers and lightly updated for modern readers *A Pastor's Sketches* Ichabod Smith Spencer,2025-05-30 A Pastor s Sketches The Art of Evangelistic Pastoral Visitation is a unique gift to the Church of all ages but it will prove most useful to the current generation of pastors evangelists and missionaries who seek to win people for Christ Ichabod Spencer also known as Bunyan of Brooklyn retells 77 stories of evangelistic pastoral visitation from his on rich experience and ministry showing a very careful heart and passion for the salvation of souls and demonstrating how he used pastoral visitation a ministry almost lost in the current Evangelical landscape to help people find Christ and salvation With the detailed eye of a fine surgeon he treats a host of soul diseases such as emotionalism charismatism neglect of common means of grace unbelief atheism intellectualism false expectations false doctrine etc by simply preaching the true biblical Gospel and by upholding Christ and Him crucified as the only hope for

salvation If you are a true Christian who seeks to win others with the Gospel your ministry will never be the same once you read this book This book is worth its weight in gold This book has been originally published in two separate volumes in 1850 and 1853 respectively This edition has been edited proofread and slightly adapted for modern readers *Michigan Christian Advocate* ,1921 The Doctrine of Repentance Thomas Watson,2025-06-01 The two great graces essentials to a saint in this life are faith and repentance These are the two wings by which he flies to heaven Faith and repentance preserve the spiritual life just as heat and radical moisture preserve the natural Watson discusses in this book about repentance Watson does here a marvelous work by reminding us that repentance is both a grace of God bestowed sovereignly and a responsibility of the sinner who is called by the instrumentality of the preaching of the Gospel Watson says Repentance is never out of season it is as frequently used as the artificer s tool or the soldier s weapon If I am not mistaken practical points are more necessary in this age than controversial and polemical This book was originally published in 1668 This edition has been proofread typeset for eBook readers and lightly updated for modern readers **Index-guide to Library of the World's Best Literature, Ancient and Modern** Edward Cornelius Towne,1899 **Correcting Jesus** Brian Griffith,2010-10 In *Correcting Jesus* Brian Griffith patiently and clearly untangles the many strands of the story of Christianity and the many changes made over the centuries to the original story of Jesus and his message For any reader who s wondered Where *Christian Faith and Life* ,1926
