

I wish we could switch places for just a day, so you could see what I see every time I look at you. When I look at you, I see my best friend. I see someone who goes above and beyond to have my back. I see someone who has never given me a reason to doubt our friendship. I see someone who puts others before herself and goes out of her way to make sure they are happy. I see the kindest, caring and selfless person I know. I see my support system, my cheerleader, my advisor, my confidante. I see someone who will jump through hoops to be there for me when I need a best friend. I see someone whose shoulder I can always cry on and also someone who can cheer me up. I see someone whose face lights up when you talk about something they are passionate about. I see someone who has made a lot of effort to include me as part of their family and circle. I see someone who encourages me to do better and pushes me to achieve things I would have never thought achievable. I see someone that is honest enough to tell me when I am in the wrong and helps me make things right. I see someone who loves me like a sister and looks after me like a second mum. There are so many things that I see about you that I wish you could see in yourself because you are the most amazing person I have ever come across. It makes me happy to know that I will always have you in my life, and you will always have me in your life too. I love you more than you will ever know, best friend.
