Turning Your Mess into a Message Dr. Josef A. Howard, 2011-02-10 Dr Howard has crafted a careful and balanced blend of Bible exposition theology real life illustrations from his vast ministerial experience and practical applications to those who yearn for their lives to be transformed from a messy situation to a message that honors and glorifies God Each chapter expounds the miraculous way God used an unlikely individual with a messy life and turned his or her life into a positive message The woman at the well Zacchaeus Jabez Ruth the thief on the cross and Jephthah all faced challenging circumstances Sin genetics the unexpected death of a spouse rebellion and poor family heritage placed these Bible characters in the most likely not to succeed category All had three strikes against them God in His infinite mercy and grace had a plan for each of these lives He turned their mess into a positive message Regardless of what mess you find your life to be in this book gives practical ways of how to get out Everyone faces trials and difficulties in life Dr Howard likens the trials and difficulties in life to potholes Potholes appear out of nowhere unexpectedly and can be destructive and hurtful and take away our joy and sense of well being Dr Howard says Being a Christian does not mean that we will not be faced with trials and tribulations which are like potholes in our lives some are big while others are small Regardless of how messy your life is or how many potholes are causing you concern Turning Your Mess into a Message will give you hope and lead you to the Savior who alone can turn your life around He did it for the six Bible characters expounded upon in the book and He continues to change and transform messy lives into a message today *101 Good Reasons to Believe* James D. Sideras, 2018-01-04 This book presents a strong case for the Christian faith by using scientific evidence and philosophical reasoning Although an abundance of Christian apologetic textbooks exist most are not easily accessible because they offer long and scholarly treatments of subject matter that may not appeal to lay readers This book differs in two ways First it presents the case for Christianity in a friendly scholarly prose which enables readers to plainly understand each reason to believe Second these reasons are concisely structured so that within minutes readers can quickly examine each argument in light of the evidence presented *101 Good Reasons to Believe* is essential reading for theists who wish to strengthen their faith in God and for nontheists who desire to critically investigate the truth claims of the Bible This book includes topics such as astronomical evidence for the existence of God evidence for creation and intelligent design refutation of Darwinian evolution the historicity of Jesus why there is human suffering if God exists the accuracy of the Bible and evidence for heaven and hell The 101 reasons presented make thought provoking and compelling reading for scholars

and non scholars alike Psalm 49 and the Path to Redemption Janet Smith,2017-08-04 In Psalm 49 and the Path to Redemption Janet Smith revisits her PhD dissertation Dust or Dew Immortality in the Ancient Near East and in Psalm 49 reconfiguring the book for a general audience and expanding it to focus on a theme of biblical redemption The new work takes the reader through the development of Israel s belief in an afterlife both the positive hope but also the negative fate of those who are spiritually impoverished Beyond that Psalm 49 takes the reader into the mind and heart of the sages and priests who wrote many of the psalms There we find how much we share with them emotionally and spiritually Since Christianity is a movement with roots in the Old Testament the reader is introduced to some important redemption concepts as expressed by Jesus Christ Finally the book reviews a few modern near death experiences to ask if the Scriptures regarding afterlife have relevance today This book is thought provoking and should cause anyone reading it to think about their own personal path to redemption **A Rabbi Looks at the Afterlife** Jonathan Bernis,2014-11-18 Is there a heaven Is hell real Is there life after death Discover the answers that will change your life forever People genuinely want to know if there is life after death However there are many different ideas about the afterlife Some believe that once you are dead that s it Nothingness Others sincerely hope that there is something beyond this life but are not sure Uncertainty Is it possible to know that there is life beyond the grave If so how does this change your life today In A Rabbi Looks at the Afterlife Jonathan Bernis takes you on an unforgettable journey of faith exploring Scripture history and first hand accounts of those who have experienced the afterlife Get ready to Re Imagine heaven and get a clearer vision of the glorious eternity that awaits all believers Live with a greater sense of purpose and urgency motivated by the realities of heaven and hell Be inspired by four unforgettable true stories of individuals who had near death experiences When the afterlife becomes more real you will live every moment in light of forever and recognize the eternal significance that your life plays in God s unfolding plan A Quest for Justice Raharjo Suwandi,2000 This book is a remarkable study of a contemporary Javanese millenarian community based on a careful and nuanced exposition of the ideas of this community and its leader Embah Wali who looked to the coming of the Just King Ratu Adil in the person of the Sultan of Yogya In the Blitar region East Java where the community is centred Embah Wali and his followers created a world in which wayang functioned as the basis for an interpretation of living and being in the world Adept in linguistic manipulation of the Javanese language Embah Wali and his disciples created a world of meaning that was unique to their community The author tells the story of Embah Wali and his followers describes the phases of their movement and relates these developments to the turbulent social and political events that have occurred in Java over more than a half century from the 1930s through the 1980s This first hand study of a Javanese messianistic movement contributes to our understanding of Javanese rural culture and politics As a Javanese from Blitar Raharjo Suwandi was fortunately positioned to be able able to study and interpret this movement in the midst of its most lively period and then to follow its development to the death of its founder *Christian Register and Boston Observer* ,1912 **English**
