Above All Embarquer:

Frameworks for Discursive Actions and Practices of the Law Jan Engberg, Girolamo Tessuto, 2019-01-15 This volume provides descriptive and interpretive insights into the living usage of language and other semiotic modes in building and performing the law across academic professional and institutional contexts where issues arise from the meaning and function of legal texts discourse and genre in constituting and enabling conventions albeit dynamically and account for the socially and inter culturally influenced forms of discursive actions and practices The twenty contributions included here weave significant contexts and situations for legal discourse and practice into a tight thread and justify selected topic areas through a variety of approaches methodologies and procedures As such this publication is multidimensional and multiperspectival in its design and implementation of key issues confronting discursive actions and practices of the law and provides an invaluable resource for academics in a wider range of disciplines including linguistics applied linguistics and communication studies It will also be of interest to students of interdisciplinary discourse analysis
