Blue Moon Elise Noble,2024-06-30 You know what they say about showbiz They love to build you up and then they tear you down Luna Maara never wanted to be a star but by the time she realised she hated the limelight she was in too deep Sold out concerts fans screaming her name on the street memes going viral whenever parts of her fell out of a costume Oh and stalkers Don t forget the stalkers The latest one calls himself Mark Antony and he sends her linguine carbonara and dog treats Most people think she has it all the fame the money the luxurious lifestyle But under the facade there s nothing but an empty shell Everyone close to her lies or takes advantage of her or both Her family her friends she can t trust anyone Not even Ryder Somehow her former bodyguard s betrayal hurt most of all Former SEAL Ryder Metcalfe never meant to fall in love again but during a nightmare trip to the Caribbean a prickly pop princess wormed her way under his skin And then she ditched him Which was his own fault and also his biggest regret He can t turn back the clock He can t change fate But somebody else can When Luna s scared there s only one person to call Only one man she trusts with her body if not with her heart Mark Antony might gift Ryder a second chance but he s determined the star crossed couple won t get a third Blue Moon is a story of second chances and self discovery with plenty of dark humour and a morally grey girl squad There s also some grovelling and a dog Who doesn t love a dog

the state of Texas from those who serve in its most populous municipalities to rural county JPs putting a human face on the responsibilities attitudes and perspectives that motivate their judgments The result is a thoroughly entertaining sympathetic view of what Dunn calls the day to day observation of human conflict in microcosm **Strong Brands, Strong Relationships**
