

Una comedia obsesivamente divertida.

Larche En Toc

Lawrence Anthony, Graham Spence

L'Arche En Toc:

L' arche de Babylone Lawrence Anthony, Graham Spence, 2010 **L'Arche Titanic** Éric Chevillard, 2022-01-19 Nous sommes le 5 novembre 2019 et je m'apprête à passer la nuit seul dans la Grande Galerie de l'évolution du Muséum d'Histoire naturelle de Paris Cette perspective est-elle si effrayante ? Je n'ai pas l'intention de laisser ma peau aux taxidermistes du muséum Ils ont assez à faire avec l'éléphant de mer Je suis sans doute le seul de la bande au contraire qui ne risque rien dans les heures venant Sont réunies ici les conditions de la plus parfaite sérénité Ces toisons soyeuses ces pelages ces peluches n'est-ce pas ce qui depuis toujours rassure l'enfant craintif dans le grand vide noir de la nuit Cette nuit dans la grande galerie Éric Chevillard la passera plus précisément dans la salle des espèces disparues et menacées Et si triste est le constat du regroupement de ces deux populations le lieu effrayant exotique fantasmagorique est plus que propice à l'écriture De déambulations en contemplations l'auteur en vient à s'imaginer sauveur de ces mondes perdus S'ensuivent des pages sublimes et virevoltantes dans lesquelles il tente de faire revenir la vie des animaux disparus notamment un uhu de vorompatra grand mégaloptère depuis trois siècles uniquement par la force d'invocation d'un poème Car Pour ressusciter les espèces teintes mieux que l'incertain clonage cellulaire ne serait-il pas judicieux de s'en remettre à la poésie Emporté par l'incroyable lan de ce livre le lecteur ne pourra que tomber d'accord L'Arche des enfants Vladimir Lipovetsky, 2015-10-21 Récit traduit du russe par Marilynne Fellous En 1918 au lendemain de la Première Guerre mondiale alors que la guerre civile s'ensuivait en Union soviétique il fut décidé d'envoyer huit cents enfants de Saint-Petersbourg dans le sud de la Russie ainsi que dans l'Oural et en Sibirie afin de leur permettre d'échapper à la famine et aux violences de la guerre civile Partis pour quelques mois ce n'est que quatre ans plus tard que ceux qui survécurent revinrent dans leur patrie après avoir été pris en charge par la Croix-Rouge américaine et traversé la Chine le Japon les États-Unis et une partie de l'Europe C'est ce voyage hallucinant que raconte ici en imaginant certains dialogues et en citant des extraits de lettres de journaux intimes Vladimir Lipovetsky qui a consacré vingt ans de sa vie à faire des recherches interrogeant les survivants de cette odyssée consultant les archives aussi bien aux États-Unis qu'en Russie **L'Arche**, 2008 **Vaccines against Allergies** Rudolf Valenta, Robert L. Coffman, 2011-08-26 We are celebrating this year the hundred years anniversary of allergen specific immunotherapy In 1911 Leonard Noon published his seminal work Prophylactic inoculation against hay fever describing his attempts to achieve active immunity against grass pollen toxin by administering increasing doses of grass pollen extract before the grass pollen season to allergic patients Although it was unknown at that time that allergy represents an immunological hypersensitivity disease the treatment was effective and many observations made by Noon remained valid until today Today allergen specific immunotherapy is well established as the only allergen specific and disease modifying treatment for IgE mediated allergies and has long lasting effects In fact more than 25% of the population suffer from IgE mediated allergies which therefore represent a major health burden of our society particularly because untreated allergy often progresses to severe disabling forms of disease such as asthma and
