Manual Allen Harper Answer:

Principles of Anatomy and Physiology Gerard J. Tortora, Bryan H. Derrickson, 2020-10-13 From the very first edition Principles of Anatomy and Physiology has been recognized for its pioneering homeostatic approach to learning structure and function of the human body. The 16th edition continues to set the discipline standard by combining exceptional content and outstanding visuals for a rich and comprehensive experience. Highly regarded authors Jerry Tortora and Bryan Derrickson motivate and support learners at every level from novice to expert and equip them with the skills they need to succeed in this class and beyond. Laboratory Manual for Anatomy and Physiology Connie Allen, Valerie Harper, 2011-01-05 The Laboratory Manual for Anatomy and Physiology by Allen and Harper presents material in a clear and concise way. It is very interactive and contains activities and experiments that enhance readers' ability to both visualize anatomical structures and understand physiological topics. Lab exercises are designed to require readers to first apply information they learned and then to critically evaluate it. All lab exercises promote group learning and the variety offers learning experiences for all types of learners: visual, kinesthetic, and auditory. Additionally, the design of the lab exercises makes them easily adaptable for distance learning courses.
