Rocco Cottone, Vilia M. Tarvydas, 2003 Expanded, revised, and more reader friendly, the second edition of this well-researched book again provides its exceptional coverage of the philosophical foundations of counseling. This is one of the most comprehensive, thorough, and readable books on the market today. After a thorough discussion of ethical principles and standards, the authors conscientiously examine ethical issues as they manifest themselves within several specialty areas: family counseling and school counseling, for example. They again include their highly praised compendium of ethical codes, ideal for study by future counselors or as a reference for practitioners. This book addresses high-interest topics such as genetics, eugenics, and managed care. It examines the variables and nuances of counseling clients of various ethical and cultural backgrounds. It also covers everything from office layout to maintaining records from setting fees and billing to handling disagreements, computer-assisted counseling, online forums, and computer-assisted assessment. For professionals in the field of counseling.

Counseling Ethics and Decision Making R. Rocco Cottone, Vilia M. Tarvydas, 2007 This book guides helping professionals using the theme of decision making as an anchor for the discussion of ethics in professional practice. Providing a thorough presentation of ethical principles and standards, the authors conscientiously examine ethical issues as they manifest themselves within several specialty areas: couple and family, school, mental health, career, group, rehab, addictions, etc. and use compelling case studies to illustrate the connection between ethical decision making models and ethical practice. This revision includes additional coverage of multicultural issues, references the new 2005 American Counseling Association (ACA) Code of Ethics, and includes the highly praised compendium of ethical codes. **The Book of Ethics** Laura Weiss Roberts, 2009-06-03 The definitive book on ethics for chemical dependency treatment professionals. The treatment of addiction as a biological, psychological, social, and spiritual disease requires a high standard of ethical knowledge and professional skill. This groundbreaking, reader-friendly guide to contemporary ethical issues informs and challenges health care professionals, students, and faculty with a thorough and compassionate examination of the dilemmas faced when providing care for individuals suffering from substance use problems or addiction. Renowned psychiatric ethicists Cynthia

Geppert and Laura Weiss Roberts tackle issues of autonomy respect for persons confidentiality truth telling and non maleficence setting the standard for contemporary ethical practices These challenges are illuminated with real world case examples that show potential effects on diverse patient populations
