

Scenario

In this lab, you learn how to use the TestOut simulator.

You are the IT administrator for a small corporate network. You are working on a computer in your office.

In this lab, your task is to complete the following:

- Add the monitor to the Workspace.
- Connect the monitor to the computer using the HDMI cable.
- Connect the power cord to the monitor and plug in the monitor.
- Turn on the monitor and the computer.

After you complete these tasks, explore the hardware and operating system interfaces within the lab. From the top navigation tabs, select Floor 1 Overview to view the rest of the office network. Select Score Lab when you are finished.

 interdisciplinary dialogue between classics and social psychology Classicists use modern social psychological insights to
 interpret ancient texts while social psychologists engage with classical case studies to refine their own conceptual
 frameworks This dialogue unfolds through an innovative structure thematic sections introduced by social psychologists are
 paired with wide ranging case studies by classicists covering topics such as the psychology of tragic characters comedic
 group dynamics and the cognitive processes at play in oracles and deification The volume offers methodological guidance for
 reconstructing the social psychology of past societies addressing questions like How did ancient Greeks understand
 character How did laughter shape social cohesion What role did emotional contagion play in narratives How did ancient
 societies accommodate religious innovation And above all how do we know and how can we properly investigate such
