**Platinum** Aliya S. King, 2010-07-06 You only think you want this life Alex Maxwell is planning her wedding to up and coming music artist Birdie ghostwriting video vixen Cleopatra Wright's memoir and she's just been assigned the story of the year by her editor in chief at a major music industry magazine an article about the glamorous lives of women married to platinum selling hip hop artists Alex has been interviewing celebrities and hangers on long enough to know all that glitters isn't gold so she's determined to get the real scoop Still it's not going to be easy to get past the wives gilded cages Beth Saddlebrook wife of aging rapper Z They have three beautiful boys and a seemingly endless supply of cash But Beth spends her days trying to keep Z off drugs and fielding calls from women hollering she's just a small town white bitch and claiming to be carrying Z's baby Only one person understands what she's going through Kipenzi Hill multiplatinum selling R B artist and Beth's best friend Her relationship with rap star and record label president Jake is an open secret in the industry She knows Jake loves her but he'd rather break up than publicly acknowledge it Now she has learned that the newest and much younger R B sensation Bunny has been signed to Jake's label Josephine Bennett wife to Jamaican singer and producer Ras Bennett Josephine doesn't just want to spend her husband's money she wants to contribute Her fashion company is finally starting to get media attention when her husband admits to something she's suspected all along he's fallen in love with another woman Cleopatra Wright every man's dream girl a video vixen with a story to tell and scores to settle Cleo's got that thing no one can put a finger on and no man or woman can resist Some would call her evil or misguided or both but Cleo always moves with a purpose and she'll stop at nothing to get what she wants Alex realizes she may have more in common with these women than she'd like What if this is a glimpse of how her life will be if Birdie finally gets signed to a major label Stuck between her loyalty to this newfound sisterhood and her obligation to write the truth Alex is forced to rethink everything she knows about work friendship and love *AfroLatinas and LatiNegras* Concetta Bondi, Rosita Scerbo, 2022-11-28 AfroLatinas as a subject of scholarship are woefully underrepresented and this edited volume AfroLatinas and LatiNegras Culture Identity and Struggle from an Intersectional Perspective offers an important and timely intervention The consistent attention to AfroLatinas agency across all the chapters is empowering and attentive to the difficult circumstances of asserting that agency and to the tremendous breadth of what agency can look like The authors argue for the analytical power of the concept of Intersectionality while considering the hegemonic pressures on AfroLatinidad and the essentializing moves that an intersectional approach enables evading overthrowing and resisting systems of power Through the study of multiple cultural expressions of Blackness such as photography colonial inquisition records dance music fiction non fiction poetic memoir and religious expression and throughout different regions of the Americas the chapter contributors of this book consider the relationship that social and historical processes such as sovereignty and colonialism have on narrative and cultural production Rosita Scerbo Concetta Bondi and the contributors acknowledge that racial and gender

equity cannot exist without Intersectionality and the inclusion of activist voices broadens this volume's reach and links theory to praxis

**Black Pain** Terrie M. Williams, 2009-01-06 Terrie Williams knows that Black people are hurting. She knows because she's one of them. Terrie had made it; she had launched her own public relations company with such clients as Eddie Murphy and Johnnie Cochran. Yet she was in constant pain, waking up in terror, overeating in search of relief. For thirty years she kept on her game face of success, exhausting herself daily to satisfy her clients' needs while neglecting her own. Terrie finally collapsed, staying in bed for days. She had no clue what was wrong or if there was a way out. She had hit rock bottom and she needed and got help. She learned her problem had a name: depression, and that many suffered from it, limping through their days, hiding their hurt. As she healed, her mission became clear: break the silence of this crippling taboo and help those who suffer. **Black Pain** identifies emotional pain, which uniquely and profoundly affects the Black experience as the root of lashing out through desperate acts of crime, violence, drug and alcohol abuse, eating disorders, workaholicism, and addiction to shopping, gambling, and sex. Few realize these destructive acts are symptoms of our inner sorrow. Black people are dying. Everywhere we turn, in the faces we see and the headlines we read, we feel in our gut that something is wrong, but we don't know what it is. It's time to recognize it and work through our trauma. In **Black Pain**, Terrie has inspired the famous and the ordinary to speak out, and mental health professionals to offer solutions. The book is a mirror turned on you: Do you see yourself and your loved ones here? Do the descriptions of how the pain looks, feels, and sounds seem far too familiar? Now you can do something about it. Stop suffering. The help the community needs is here: a clear explanation of our troubles and a guide to finding relief through faith, therapy, diet, and exercise, as well as through building a supportive network and eliminating toxic people. **Black Pain** encourages us to face the truth about the issue that plunges our spirits into darkness so that we can step into the healing light. You are not on the ledge alone.
