OBE,Carolyn Blackburn,Jo Egerton,2013-10-08 Fetal alcohol spectrum disorders FASDs have emerged as a major phenomenon within the education health criminal justice and social care systems of many countries with current prevalence figures suggesting that one in a hundred children and young people have FASDs In this publication academics professionals and families from around the world have shared expertise and insights on FASDs Their combined interdisciplinary perspective makes an invaluable contribution to how we understand and address the complex social educational and health needs associated with this growing group of children and young people Articulating fundamental knowledge cutting edge initiatives and emerging trends in FASDs this book provides an evidence base that will enable services to identify and respond to the need for action on FASDs It recognises that families natural foster or adoptive are at the heart of this process and that their rich knowledge base grounded in their lived experience is crucial Any education social care criminal justice or health professional working with children and young people with FASDs and their families will find this book a seminal and authoritative resource   **Research Awards Index** ,1981   **Cumulated Index Medicus** ,1989   **Fetal Alcohol**

**Syndrome/Effect** Glen Schmidt,Jeanette Turpin,1998-12-31 Fetal Alcohol Syndrome and Effects FAS E are particularly

serious problems in many northern communities Canadian material on this subject is lacking and services are poorly developed Part of the reason has to do with the relatively recent recognition of FAS E However there is also the problem of hinterland location and resulting marginalization of populations in Northern parts of the country The intent of this book is to provide an informative practical and critical resource that will be useful to people such as social workers educators foster parents case aides and nurses who provide direct service to those affected by FAS E The book challenges program planners and policy makers to recognize the seriousness of the problem and its long term effects Contributors largely represent actual
