the lives of hundreds of North Vietnamese soldiers while wrestling with the Christian injunction to love one's enemies amidst the carnage of war. The author's experience in jail marked a turning point where he embraced Christianity. He strove to save himself through the Christian ministry seeking an escape from the trauma and pain he'd endured. However, a decade later he suffered a mental breakdown. This setback triggered a 25-year-long spiral into alcoholism interspersed with three divorces, two bankruptcies, and the haunting shadows of the Iraq War. *Acquainted with Grief* offers guidance on how to help a friend with alcoholism, making it an invaluable resource for those trying to understand and assist loved ones on the difficult road to recovery. For adults confronting childhood trauma, it provides a stark, honest look at the long journey toward healing and redemption. A striking testament to the resilience of the human spirit, the book shows how, in the depths of despair, the author finally surrendered his struggles to the Lord. This surrender marked a crucial transformation in which he discovered that the grace of God is always available, regardless of one's sorrows or grief. Ultimately, *Acquainted with Grief* illuminates how to practice the presence of God, providing insights on experiencing the peace of God even in the throes of addiction and trauma. This inspirational narrative encourages readers to trust in God as their strong tower, the shield of faith, and eternal salvation, reaffirming the belief that God will never forsake those who surrender to Him. This book is a must-read for anyone seeking understanding, compassion, and hope amidst personal turmoil. Its compelling narrative reaffirms the power of faith and the enduring capacity for redemption and healing in the face of life's most challenging trials. It is a beacon of hope for those struggling with PTSD, addiction, and the lingering effects of childhood trauma.

In sending these selections of Scripture with their brief reflections, I was informed by the practice in many religions of reading sacred texts to a person on their deathbed as a guide through the process of dying. What mattered most to me was to offer something genuinely needed and desired. I knew that my sister built her life on Scripture and had asked me to read Scripture to her, and I knew that she had asked me about my own near-death experience. There I had the two requests that she had made of me. I simply trusted that the verses that came to me each morning were the right ones to send that day, and I trusted that as I stilled myself in the presence of those verses and thought of what had helped me, the words I wrote would be the right words.
