## Behind The Enchanted Door:

**The Enchanted Door** Carnegie Library of Pittsburgh,1929    The Simmons College Review ,1921    Underground  
Hunter Graves,2025-05-02 A year ago everything changed The world learned that Magicians exist not through peaceful revelation but through destruction The Empire State Building was reduced to rubble by a terrorist attack fueled by Magic and ever since fear has ruled the streets Magicians like me We ve been hunted imprisoned or worse Now I keep my head down hidden in the shadows of a new life with my uncle No heroics no rebellion just survival I don t want to fight for Magician rights I don t want to relive my past And I certainly don t want to rescue the mysterious stranger who reappears from it But fate doesn t care what I want One reckless decision pulls me into a storm of conspiracies betrayals and a terrorist plot that could set the world on fire again Hiding is no longer an option And the deeper I go the more I realize if I don t fight back I may not make it out alive    The Friendly Town ,1926    **The Chamber of Merlin** Brandon Alexander

Daunno,2011-06-08 Rooted deeply in Arthurian lore The Chamber of Merlin explores the possibility that magic was drained from earth 1500 years ago by the wizard Merlin just moments before he was imprisoned by the evil enchantress spirit Niven Now desperate to regain her physical form Niven has cracked the seal of Merlin s prison allowing magic to bleed onto earth again She plans to possess the body of a psychic and continue her search for the long lost city of Avalon where the source of magic is located This magnificent blend of science fiction and fantasy brings the greatest wizard of them all into modern day society where he will wage the ultimate war between magic and technology    **Healing Storytelling** Nancy
