**Finding Family** Richard Hill, 2017-09-29 Finding Family My Search for Roots and the Secrets in My DNA is the highly suspenseful account of an adoptee trying to reclaim the biological family denied him by sealed birth records This fascinating quest including the author's landmark use of DNA testing takes readers on an exhilarating roller coaster ride and concludes with a twist that rivals anything Hollywood has to offer In the vein of a classic mystery Hill gathers the seemingly scant evidence surrounding the circumstances of his birth As his resolve shores up the author also avails of new friends genealogists the Internet and the latest DNA tests in the new field of genetic genealogy As he closes in on the truth of his ancestry he is able to construct a living breathing portrait of the young woman who was faced with the decision to forsake her rights to her child and ultimately the man whose identity had remained hidden for decades Finding Family offers guidance insight and motivation for anyone engaged in a similar mission from ways to obtain information to the many networks that can facilitate adoption searches The book includes a detailed guide to DNA and genetic genealogy and how they can produce irrefutable results in determining genetic connections and help adoptees bypass sealed records and similar stumbling blocks

**The Story of Pasquale Pagano and Antonia Larussa and Family** Camille Gendusa Bluestein, 2015-02-11 Being a bit introverted I spent a lot of time at home with my mother in my youth She confided many of her more private feelings and thoughts about her mother Antonia From what I could understand the subject was off limits in her family circle Perhaps she felt it was easier to talk about it with me rather than her brothers Her sister

lived in California She lost her mother when she was three years old so she had no memories of her She wondered what her mother looked like as she had no photos of her Then she unraveled the sad story of her mothers demise I write this book to add some closure to the story The demise of Antonia fractured the Pagano family and has scarred several generations Hopefully in my small way I can relate the pleasant as well as the less pleasant qualities of the lives of Antonia and Pasquale Also in this book I would like to celebrate the extended Pagano family In spite of a sad glitch in its history the extended family has much to be proud of Note There is a large notebook titled Pagano Family Archives in the home of the author The entire set of documents is stored there for anyone who wants to view it
