## **John Updikes Novels By Greiner Donald:**

**John Updike's Novels** Donald J. Greiner, 1984 This is a companion volume to Greiner's *The Other John Updike* Poems Short Stories Prose Play published in 1981 and is a perceptive study and thorough discussion of Updike's major fiction The book does not impose a thesis on Updike's development as a novelist but offers an informed reading of the novels to isolate and discuss the qualities that made Updike great Greiner supplements this with an analysis of the critical reception accorded to each of the novels He includes excerpts from published interviews with Updike to illuminate his view of fiction his debt to conservative theologian Karl Barth his conception of the dilemma faced by 20th century American writers and his relationship with Nathaniel Hawthorne He has grouped the novels to demonstrate Updike's range of interest his formal versatility and his sharp ear for contemporary American speech Of particular interest is his overview of Updike's *Rabbit* chronicle ISBN 0 8214 0780 5 23 95      *The Other John Updike* Donald J. Greiner, 1981 A critical analysis of Updike's stories essays poems and reviews      [The John Updike Encyclopedia](#) Jack De Bellis, 2000-09-30 John Updike is one of the most seminal American writers of the 20th century and one of the most prolific as well In addition to his best selling novels he has written numerous poems short stories reviews and essays His writing consistently reveals stylistic brilliance and through his engagement with America's moral and spiritual problems his works chronicle America's hopes and dreams failures and disappointments Though he is an enormously popular writer the complexity and elegance of his works have elicited growing scholarly attention Through several hundred alphabetically arranged entries this book provides both casual and serious readers an exceptional guide to his life and writings Whether the reader is seeking a novel summary an authoritative analysis of subjects elucidation of an allusion or a point about Updike's life or manner of composition the encyclopedia is indispensable A chronology summarizes the major events in Updike's career while an introductory essay examines his progress as a writer from his crafted light verse and informed reviews to his innovative novels and stories The entries that follow summarize Updike's books describe all major characters explain allusions identify major images and symbols analyze principal subjects discuss his life and career and draw on the most significant scholarship Entries include bibliographies and the volume closes with a list of works for further reading      [The Quest for Epic in Contemporary American Fiction](#) Catherine Morley, 2008-09-25 This volume explores the confluences between two types of literature in contemporary America the novel and the epic It analyses the tradition of the epic as it has evolved from antiquity through Joyce to its American manifestations and describes how this tradition has impacted upon contemporary American writing      **John Updike** Bob Batchelor, 2013-04-23 One of the world's greatest writers John Updike chronicled America for more than five decades This book examines the essence of Updike's writing propelling our understanding of his award winning fiction prose and poetry Widely considered America's Man of Letters John Updike is a prolific novelist and critic with an unprecedented range of work across more than 50 years No author has ever written from the variety of vantages or spanned topics like Updike did Despite

being widely recognized as one of the nation's literary greats scholars have largely ignored Updike's vast catalog of work outside the Rabbit tetralogy This work provides the first detailed examination of Updike's body of criticism poetry and journalism and shows how that work played a central role in transforming his novels The book disputes the common misperception of Updike as merely a chronicler of suburban middle class America by focusing on his novels and stories that explore the wider world from the groundbreaking *The Coup* 1978 to *Terrorist* 2006 Popular culture scholar Bob Batchelor asks readers to reassess Updike's career by tracing his transformation over half a century of writing *The Donald J. and Ellen Greiner Collection of John Updike* Donald J. Greiner, Abby E. Gould, 2016 *Focus On: 100 Most Popular United States National Medal of Arts Recipients* Wikipedia contributors, *John Updike* Jack De Bellis, 2005-02-28 Twenty seven critics as well as Updike himself provide a kaleidoscopic view of the Rabbit Angstom saga in 34 reviews and essays There is dual purpose of this collection of critical responses first to provide a historical view of the critical reception of all of Updike's works about Harry Rabbit Angstom the four Rabbit novels and the novella *Rabbit Remembered* and second to show how these reviews and articles can illuminate the reader with the range of approaches to the saga These responses to the saga reveal the reception of each installment of the saga and how critical acclamation rose with each work The first reviews of *Rabbit Run* noted Updike's ability to redeem an ex basketball player's ordinary life through brilliant innovative style Scholarly essays debated whether Rabbit was a satiric figure Updike's sequel *Rabbit Redux* showed how for reviewer Richard Locke the inner surface of banal experiences could be blended seamlessly to social unrest and war A later critic Irina Negrea adopted the Jean Baudrillard to critique Marshall McLuhan's optimistic vision of the global village Reviewer Thomas R Edwards found that *Rabbit Is Rich* is composed of meditations on religion politics and economics with motifs intertwined The saga for critic Ralph Wood showed Updike as our finest literary celebrant both of human ambiguity and the human acceptance of it Reviewing *Rabbit at Rest* Joyce Carol Oates called it a hugely ambitious achievement and critic Thomas Disch proclaimed it to be the best large scale literary work by an American in this century thus the Great American Novel

**John Updike** Judie Newman, 1988 *John Updike* Robert M. Luscher, 1993 Prolific in a variety of genres John Updike is one of North America's premier men of letters regularly producing novels poetry short fiction and volumes of assorted prose Without question he is one of the most widely read contemporary American authors Updike's elegant fiction on the tensions and tragedies of contemporary middle class life have earned him numerous awards including the 1981 Pulitzer Prize for his novel *Rabbit Is Rich* Updike is also a serious craftsman of the short story with 10 collections and 200 short stories to his credit His stature as a writer of short fiction warrants close examination particularly in light of the author's active contribution to the genre's current revitalization through formal experimentation and stylistic excellence In *John Updike A Study of the Short Fiction* Robert M Luscher focuses exclusively on Updike's short fiction In this comprehensive treatment of all of Updike's short fiction Luscher explores each of Updike's story collections separately and in approximate chronological

order Luscher adopts this traditional approach because each collection has a dominant thematic focus and examines characters in a particular phase of development Updike's short fiction captures the changing historical background the shifting social mores and the personal responses to the altered socio cultural circumstances that have heightened spiritual uncertainty social unrest sexual freedom and domestic tension Each successive collection shows Updike experimenting with different techniques as his focus on American domestic life adjusts to accommodate new emphases Luscher reveals how the particular form and techniques Updike employs are adapted to the materials As Updike's emphasis on different phases of experience shifts so does the manner in which he handles his subjects Luscher's examination is amplified by Updike's own commentary on the art of fiction He foregrounds Updike's remarks on writing and attitudes about his material rather than the autobiographical content of his stories Robert M Luscher's well organized presentation cogent use of existing scholarship and persuasive insights are sure to make this a ground breaking study of John Updike's short fiction **Updike's Novels**

Jeff H. Campbell, 1987 *John Updike Revisited* James A. Schiff, 1998 In this up to date overview Schiff provides commentary on recent individual works that have yet to receive critical treatment Memories of the Ford Administration Brazil and In the Beauty of the Lilies He treats individual works and aspects of Updike's oeuvre that have been partially or entirely ignored his critical nonfictional prose and works like The Poorhouse Fair Buchanan Dying and The Witches of Eastwick **The Oxford Encyclopedia of American Literature** Jay Parini, 2004 This set treats the whole of American literature from the European discovery of America to the present with entries in alphabetical order Each of the 350 substantive essays is a major interpretive contribution Well known critics and scholars provide clear and vividly written essays that reflect the latest scholarship on a given topic as well as original thinking on the part of the critic The Encyclopedia is available in print and as an e reference text from Oxford's Digital Reference Shelf At the core of the encyclopedia lie 250 essays on poets playwrights essayists and novelists The most prominent figures such as Whitman Melville Faulkner Frost Morrison and so forth are treated at considerable length 10 000 words by top flight critics Less well known figures are discussed in essays ranging from 2 000 to 5 000 words Each essay examines the life of the author in the context of his or her times looking in detail at key works and describing the arc of the writer's career These essays include an assessment of the writer's current reputation with a bibliography of major works by the writer as well as a list of major critical and biographical works about the writer under discussion A second key element of the project is the critical assessments of major American masterworks such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman or Beloved Each of these essays offers a close reading of the given work placing that work in its historical context and offering a range of possibilities with regard to critical approach These fifty essays ranging from 2 000 to 5 000 words are simply and clearly enough written that an intelligent high school student should easily understand them but sophisticated enough that a college student or general reader in a public library will find

the essays both informative and stimulating The final major element of this encyclopedia consists of fifty odd essays on literary movements periods or themes pulling together a broad range of information and making interesting connections These essays treat many of the same authors already discussed but in a different context they also gather into the fold authors who do not have an entire essay on their work so that Zane Grey for example is discussed in an essay on Western literature but does not have an essay to himself In this way the project is truly encyclopedic in the conventional sense These essays aim for comprehensiveness without losing anything of the narrative force that makes them good reading in their own right In a very real fashion the literature of the American people reflects their deepest desires aspirations fears and fantasies The Oxford Encyclopedia of American Literature gathers a wide range of information that illumines the field itself and clarifies many of its particulars     Figurations of the Family in Fiction by Toni Morrison, John Updike, James Baldwin, and Philip Roth Charles Lavalley Taylor, 1996     **Books for College Libraries: Language and literature** ,1988     *Cyclopedia of World Authors: Scot-Z. Indexes* Frank Northen Magill, 2004     **Concise Major 21st-Century Writers** Tracey L. Matthews, 2006 A comprehensive five volume set Concise Major 21st Century Writers profiles today s most outstanding and widely known writers Clearly written in an easy to use format it collects detailed biographical and bibliographical information on approximately 700 authors who are most often studied in college and high school     **Boulevard** ,2001     **Public Library Catalog** Juliette Yaakov, 1999 In librarian s office     **MLA International Bibliography of Books and Articles on the Modern Languages and Literatures** ,2008
