By-catch Reduction in the World's Fisheries Steven J. Kennelly,2007-07-18 The 8 chapters encompass contributions from 27 of the world's leading experts in by catch reduction They take the reader through most aspects of the field at a variety of scales and viewpoints They examine the methodologies used to develop by catch reduction techniques and provide new avenues for assisting and broadening such work Case studies are provided that encompass most of the world's fishing techniques and regions Solutions developed for the most problematic fishing methods in terms of by catch selectivity and habitat damage are examined in significant detail in addition to ways to reduce the by catch of charismatic species like marine mammals and sea birds By catch reduction in less infamous fishing methods is also examined with chapters on recreational fishing and trapping The book shows how the lessons learned in reducing by catch can be applied to ameliorate emerging broader issues concerning the impacts of fishing on entire ecosystems Finally the book examines the most vital phase of by catch reduction work its uptake and extension into fishing practices

Cast Net Mastery Michael Grimm,2020-05-02 Do you want to catch more fish Of course you do We all do I'm Captain Mike I excelled first as a Recreational Angler and then as a Captain by developing and honing my own techniques with the guidance of some of the best live bait fishermen in the world Never once have I stopped seeking a better way to catch more fish If you're not getting better you're getting worse I worked hard asked questions tried new tactics observed and studied my results to establish the high level techniques that I use on a daily basis And now I will share them with you so that YOU can also benefit from my obsession I am not one of those zero sum captains that view other anglers as a threat to my livelihood There are some on the water who believe that their business thrives so long as anglers don't expand and improve their angling skills Not me It is my life's joy to see you catch more fish and create more memories Exceptional anglers helped me along early in my career and I want to help YOU in the same way I believe in the maxim that a rising tide floats all boats For me my angling success ascended to another level when I dedicated myself to the art of catching all sorts of LIVE BAIT It's that simple Mastering the art of cast netting over my thirty five year fishing career has enabled me to catch live bait when others cannot The best piece of advice I can give to anglers of all ages and experience levels is Use LIVE BAIT Catching your own live bait results in catching more fish and bigger fish After years of fishing with clients and friends being approached at events from

iCAST to boat shows answering more e mails private messages and Youtube comments than I can count it was apparent that I needed to write this book Through seminars demonstrations and online videos I have taught thousands of anglers how to use a cast net It is my desire to help those who are eager to improve and expand their fishing skills It gives me great pleasure to share my life s passion through teaching and instruction not to mention that with every lesson I am further able to hone my own skillset Getting kids to shut off video game consoles putting down the cell phones and encouraging them to go outdoors gives me satisfaction as well I get a big kick out of seeing parents bond with their children while learning something new and enjoying the outdoors like I did with my father With my Mastery Series I can t wait to share with you everything that I ve learned from countless hours of trial and error as well as tips from mentors professional captains and some of the industry s elite I will teach you everything you need to become a better fisherman by taking full advantage of your cast net I m not holding back You get it all By the time you finish this book not only will you be able to open a cast net in a perfect circle and make bait but you will join the 90 10 fishing club That s right The other 90% of anglers will envy you and wonder what you are doing differently Simply put fishing is about to get a whole lot easier for you
