### **Educational Assessment for the**

**Elementary and Middle School Classroom** Gary D. Borich, Martin L. Tombari, 2004. Brief and practical this popular book focuses on what classroom assessments are and how to do them and bridges the gap between testing a learner's knowledge of particular information and measuring his or her ability to transfer knowledge and think strategically. Coverage encompasses all of the issues surrounding the use of classroom assessments: validity, reliability, bias, impact through targeted discussions that address everything prospective teachers need to know completely yet succinctly. The authors offer a comprehensive menu of techniques for assessing not only what learners know but also how they think, how they perform and how they apply what they know within authentic real world contexts. For individuals administering tests and implementing other

measurements tools for the assessment of students in elementary and middle schools      **Curriculum Leadership** Allan A. Glatthorn,Floyd Boschee,Bruce M.
