slowly reclaiming the land Exotic animals released from zoos roam freely Stores of food once fresh and plentiful are beginning to spoil Surviving in the South is no guarantee but it will be warmer there And there will be wild game to hunt and plenty of land to farm The South represents his best chance at building a new existence But first he needs to search for other survivors Even if the Flu did not kill him loneliness just might *The Scorpion Rules* Erin Bow,2015-09-22 The children of world leaders are held hostage in an attempt to keep the peace in this slyly humorous starkly thought provoking Kirkus Reviews starred review novel Greta is a Duchess and a Crown Princess She is also a Child of Peace a hostage held by the de facto ruler of the world the great Artificial Intelligence Talis This is how the game is played if you want to rule you must give one of your children as a hostage Start a war and your hostage dies The system has worked for centuries Parents don t want to see their children murdered Greta will be free if she can make it to her eighteenth birthday Until then she is prepared to die with dignity if necessary But everything changes when Elian arrives at the Precepture He s a hostage from a new American alliance and he defies the machines that control every part of their lives and is severely punished for it His rebellion opens Greta s eyes to the brutality of the rules they live under and to the subtle resistance of her companions And Greta discovers her own quiet power Then Elian s country declares war on Greta s and invades the prefecture taking the hostages hostage Now the great Talis is furious and coming himself to deliver punishment Which surely means that Greta and Elian will be killed unless Greta can think of a way to break all the rules *Books Out Loud* ,2007 **Books Magazine** ,1996 The New York Times Book Review ,1987-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **The Publishers Weekly** ,1999 **Before and After the Apocalypse** Pedro Alves,2011-04-27 This book is a collection of life situations memories relationship regrets wishful thinking dreams and nightmares Life situations we face or read about it on the paper or watch it on TV Terrorism world disasters apocalypse religion faith And fate I added all those topics mixed it in a bowl and it turned out life in a Creative way As realistic as it is I want every one to know the characters on the book are pure fiction and they do not exist so don t sue me if you think I m talking about you Don t be conceded it s not about you *Apocalypse Cowboy* Eve Langlais,2015-04-02 It figured that the last man on earth would be the one who broke her heart The world died practically overnight leaving behind sparse pockets of survivors who must learn to live without electricity internet cable or grocery stores When it came to survival it was kill or be killed When Brody rides off into the sunset with grandiose dreams he leaves behind not just his small town but also his first love But the hopes he had of making it big are shattered when a deadly virus hit Lonely in this new reality he finds himself drawn back to his hometown and rediscovers the woman he left behind Hannah never thought the expression Not if you were the last man on earth would ever come back to haunt her but when the world s population is decimated by a deadly virus she regrets her words especially when Brody comes riding back into her life A very alive Brody who reminds her she s not just a survivor but also a woman

Eking out an existence in this new world is hard Forgiving the blunders of the past sometimes harder Against all odds Brody and Hannah survived the plague but will their stubborn nature still tear them apart Genre post apocalypse romance zombies second chance romance horror romance end of the world dystopian futuristic Nobody Knows My Name Michael Barnett,1985 Z-Raido Candy O'Donnell,2015-02-11 My life will never be the same again My entire existence changed when the Zombie Apocalypse started I was bitten and thought my life was going to end at the radio station My name is Cherise and there are people out there that want me dead **You Only Know My Name, Because Somebody Told You** Lucas James,2007 *After the Ending* Lindsey Fairleigh,Lindsey Pogue,2013-02-22 The virus spread Billions died The Ending began We may have survived the apocalypse but the virus changed us When people started getting sick they thought it was just the flu My roommate my boyfriend my family they're all gone now I got sick too I should have died with them with the rest of the world but I didn't I thought witnessing the human population almost disappear off the face of the earth was the craziest thing I'd ever experience I was so wrong My name is Dani O'Connor I'm twenty six years old and I survived The Ending The Virus changed everything The world I knew is gone and life is backwards We've all had to start over I've been stripped of my home my dreams all that is me I'm someone else now broken and changed Other survivors' memories and emotions haunt me They invade my mind until I can no longer separate them from my own I won't let them consume me I can't My name is Zoe Cartwright I'm twenty six years old and I survived The Ending We've been inseparable for most of our lives and now our friendship is all we have left The aftermath of the Virus has stranded us on opposite sides of the United States Trusting strangers making sacrifices killing we'll do anything to reach one another Fear and pain may be unavoidable but we're strong we're survivors But to continue surviving in this unfamiliar world plagued by Crazies and strange new abilities we have to adapt We have to evolve And more than anything we have to find each other *How Do You Know My Name?* Mia Collins,2024-01-24 The Book *How Do You Know My Name* has been written by the Author Mia Collins as a sequel to *Sangfroid* This being a fictional story has been written from a different point of view unlike the third party in the first book though written as a diary form therefore as a Fictional Autobiography Tabitha suffered from amnesia for twenty six years she unfurls how her forgotten life reveals itself over a period of several years Thereafter her memories returned unfolding her unique life she once enjoyed although sadly forgotten due to a major blow to the head leaving her in a coma for two weeks with a fractured skull As her memories unfold it's a whirlwind of wonderful twists and turns as she finally learns who the mystery man was all along who helped her back to this point of now being fulfilled Who was he perhaps someone who used to be her oldest friend _who Tabitha no longer recognised **Apocalypse know!** P.
