Appeal To Pity Appeal To Pity:

Appeal to Pity Douglas N. Walton,1997-01-01 A useful contribution to theories of argumentation and public address criticism this book uses a pragmatic approach to understanding conversation as a way of elucidating the use of appeals to pity and sympathy

Fundamentals of Reasoning Robert M. Johnson,2002 The predominant strategy of this text is to move from the simple to the complex It includes topics such as categorical and sentential logic informal fallacies inductive logic and extended arguments With a non technical approach this book leads students step by step through simple demonstrations and then on to more complex material as their comfort level increases Well designed examples sample problems explanatory charts and diagrams and exercises abound

The Power to Persuade Sally De Witt Spurgin,1993-08 For second semester freshman composition courses as well as for courses in Argumentative Writing Critical Thinking and Persuasion A complete rhetoric and reader in one volume this text prepares students not only to evaluate a written argument but to construct logical well supported written arguments of their own

Teaching the Argument in Writing Richard Fulkerson,1996 Focuses on how to teach analyze and assess arguments Gives clear examples introducing terms from informal logic naming particular fallacies and analyzing samples of student writing to show the various approaches to argument being discussed

Ancient Supplication Fred Naiden,2006-07-20 This is the first book length treatment of supplication an important social practice in ancient Mediterranean civilizations Despite the importance of supplication it has received little attention and no previous study has explored so many aspects of the practice Naiden investigates the varied gestures made by the supplicants the types of requests they make the arguments used in defense of their requests and the role of the supplicandus who evaluates and decides whether to fulfill the requests Varied and abundant sources invite comparison between the societies of Greece and Rome and also among literary genres Additionally Naiden formulates an analysis of the ritual in its legal and political contexts In constructing this rich and thorough study Naiden considered over 800 acts of supplication from Greek Hebrew and Roman literature art and scientific sources 30 illustrations and a map of the relevant locations accompany the text
