Apocalypse Weird Weston Ochse,2015-10-20 Once a warning whispered to bad children the Black Bishop is all too real With armies of Black Monks to seek out new recruits and a select coterie of self amputee nuns his power is spreading like a plague both in the real world and in the astral plain The great windmills on the plains of Palm Springs are now home to the crucified I 10 has been shut down and is used as an asphalt strip where the staked live their last joyous hours in a chrysalises of pain and in Cathedral City cutters try and outdo themselves slashing and cutting into their skin in epic contests against each other The problem is that these people aren t being forced to do these things they beg to do it they ache to do it And things are only getting worse

The Wine Dark Passage: An Apocalyptic Coming of Age Story Wayne Kyle Spitzer,2023-12-25 Embark on a Haunting Odyssey in The Wine Dark Passage In the eerie shadows of a post apocalyptic world where time has unraveled into chaos emerges a tale of survival and awakening as the nuclear submarine Sarpedon follows a private canal to a mysterious destination The Silent Protagonist Meet Pang The Mouse In Su a 13 year old Korean deafmute girl whose silence speaks louder than words Pang grapples with the weight of a disordered world haunted by memories of loss and the relentless pursuit of survival The

Enigmatic Captain and His Companions Captain O Neil guides the USS Sarpedon through the wine dark waters Alongside him Enge Puckett a steadfast companion adds a touch of humanity to the stark reality of survival Together they navigate through the remnants of a world that has succumbed to the whims of time where primitive people and dinosaurs roam in the shadows The Elon Musk like Enigma Enter Steve Dannon an Elon Musk like figure whose private compound Chryse Planitia beckons like a forbidden sanctuary on Vashon Island Dannon reminiscent of Conrad s Kurtz hides secrets that echo in the whispers of those who dare to challenge his fractured reality As the crew embarks on this odyssey Dannon s enigma looms large a force that can reshape destinies or plunge them into deeper darkness A Heart of Darkness in the Pacific Northwest In this Pacific Northwest dystopia the crew must confront the perils of a distorted time facing not only the remnants of a lost world but the shadows of their own morality From The Wine Dark Passage We watched as he gestured to what appeared to be a large hand crank near the edge of the lock Do it O Neil seemed to indicate And he moved toward it even as something moved with him through the shadows something sleek and dark and stealthy as a panther Something which was joined by three other somethings as Jarnel took up the big iron handle and began to crank it pausing to take off his coat and roll up his sleeves completely oblivious to the fact that he was being watched That he was being stalked What happened next happened fast so fast that I was still shaking Puckett s shoulder telling him to fire fire when one of the things leapt onto Jarnel s back and just held on tight curling its talons so that they dug into his thin wet shoulders seeming to rake his back with its sickle clawed hindlimbs closing its jaws about his neck and jugular Nor did it stop there but only got worse as the other velociraptors the other murder birds descended on him like flies like jackals knocking him to the ground burying him as if in quicksand making it impossible for anyone to even shoot at them for fear of hitting Jarnel himself Not that there would have been any point he was clearly dead already as Captain O Neil spoke into his mic and the sub moved on through the now open gates As the raptors snarled and fought over Jarnel s corpse and I looked toward the sky at the fat bloody moon which was partially obscured by the semi luminescent clouds the so called Flashback Borealis which shown red as Abaddon noting that the world hadn t remarked on his death in the least but only continued to look on in perfect silence impenetrable inscrutable having nothing whatsoever to say nothing to add or take away like we ourselves I supposed And then it was time to get ready as we were more than halfway there Time to go over the plan once more and to steel ourselves steel our shivering stomachs for what was yet to come To get square with our gods and Buddhas so we could go ashore at Camp Burton where there was a small port tucked into a heavily forested cul de sac and do at last what needed to be done Apocalyptic Visions in 21st Century Films Elizabeth A. Ford,Deborah C. Mitchell,2018-07-11 The apocalypse on the big screen has expanded beyond the familiar end of the world movies Romantic comedies teen adventures and even children s films frequently feature apocalyptic imagery disintegrating cities extreme weather events extinctions rogue military forces epidemics zombie armies and worlds colliding Using sophisticated CGI effects filmmakers are depicting the end of the world ever more stunningly The authors

It stitches a rich tapestry of literary approaches ranging from the classic gothic horror of Edgar Allan Poe to the socio political dystopias envisioned by Ayn Rand and H G Wells and the unique utopian perspective of Edward Bellamy. The anthology thrives on its variety not just in the cataclysmic events it portrays but also in the myriad ways these events are perceived and interpreted by its characters. Key pieces within this collection stand as milestones in the science fiction genre framing apocalyptic and post apocalyptic narratives as lenses through which we critique and comprehend contemporary societal fears. The authors both pioneers and craftsmen of their time come from a broad spectrum of backgrounds each contributing to the anthology's overarching theme with their unique flavor of apocalypse. These writers are not just storytellers but visionaries who collectively paint a multifaceted picture of humanity at the brink. They belonged to and were influenced by a range of historical cultural and literary movements from the romanticism and transcendentalism of the 19th century to the early 20th century's modernism and the budding science fiction genre.
