**The Advanced Project Management Office** Parviz F. Rad, Ginger Levin, 2002-04-29 The Project Management Office PMO is a rapidly emerging concept in project management that has evolved in terms of its application sophistication and proven results. Most literature on the subject focuses on a specific facet or purpose of PMO. The Advanced Project Management Office A Comprehensive Look at Function and Implementation provides a *Advanced Multi-Project Management* Gerald I. Kendall, Kathleen M. Austin, 2012-11-02 Even in a well managed multi project environment it is not unusual to see half of all projects completed either late over budget or with cuts to original scope. However the proven approach presented in Advanced Multi Project Management has enabled large medium and even small organizations to consistently complete their projects faster within original scope and budget and increase the number of projects executed with the same resources by as much as 70%. The list of companies that have used this methodology for stunning results includes some of the biggest well known names in the world Boeing Rio Tinto ABB and Chrysler. This guide details the six gears that must work in unison to drive speed and predictability within an organization.
