Andy Stanley Deep And Wide Study Guide:

Irresistible Bible Study Guide Andy Stanley, 2019-01-15 Author and pastor Andy Stanley explains what made the earliest Christian movement so compelling and resilient and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why then isn't it the same with Christianity today? In this six-session video Bible study DVD, video streaming not included, Pastor Andy answers questions like: What did first-century Christians know that we don't about God's Word about their lives about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Andy is deeply concerned with the present-day church and its future, and he believes that many of the solutions to our issues can be found by investigating our roots. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated against all human odds a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and light in an increasingly savorless and dark world. Designed for use with the *Irresistible Video Study* 9780310100515 and the *Irresistible* core book 9780310536970 sold separately.

Defining Moments Study Guide Andy Stanley, 2010-05-19 Face the Truth. Life is full of defining moments. Like landmarks on a road map, these moments mark key points along your life's journey. A defining moment happens when you come face to face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same. In this eight-part companion study guide to the *Defining Moments* DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture, the kinds of moments many of us will experience in our lifetimes. And if you're willing to look at truth honestly, these moments can change your life forever.

Story Behind the Book While working to develop a series that would introduce people to a new mind set about the way they live their lives, Andy Stanley discovered the influence that defining moments have. Now, after teaching this principle to his staff church and through the extended home study groups of North Point Community Church, this DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah.

The Best Question Ever Study Guide Andy Stanley, 2010-06-09 Can a Simple Question Foolproof Your Life? When it comes to sorting out the complexities of life, only wisdom can reveal the best path. Let's face it: we've all made some pretty dumb decisions in our lives. For most of us, there are chapters in the past we would like to rewrite. There's money we wish we had never spent, relationships we wish we had never started, and perhaps a few invitations we wish we had never accepted. Unfortunately, we can't do anything to reverse the bad decisions of the past. But there is certainly no reason to repeat them either. This six-part DVD and study guide focuses our attention on one crucial question that has the power to

goof proof our decision making from this point forward Prepare yourself You are about to be introduced to a question that will revolutionize the way you make decisions Over the past twenty years speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country Designed for small group or personal use this companion study guide to The Best Question Ever DVD will take you through the process of making wise decisions This study guide includes six lessons Each lesson includes easy to do exercises and discussion questions Story Behind the Book In an effort to help people broken by bad decisions Andy Stanley created a series first called Fool Proof While searching the Bible for answers he discovered the Best Question Ever Now after several years of teaching this principle to his church and through the extended home ministries of North Point Community Church the DVD and study guide material are releasing to a national audience through North Point's relationship with Multnomah Going Deep and Wide Andy Stanley, 2017-08-01 Every Sunday people walk onto your church campus and decide if they will return the following week before the preacher even opens his mouth Many of those people don't know what to make of Jesus They're hesitant to be in a church They're not sure they belong But over and over in the pages of the gospels we see something extraordinary People who were nothing like Jesus liked Jesus Shouldn't that be true of his church as well In Going Deep Wide Andy Stanley lays out a blueprint for becoming that kind of church Going Deep Wide offers practical steps to help church leaders create irresistible environments define ministry goals and communicate more effectively with unbelievers Each section includes discussion materials that walk you more deeply into the content of Deep Wide and invites conversations about how to apply what you've learned

The biblical stand may not be what we've been taught. Jesus never asked his followers to agree on everything. But he did call his followers to obey a new command to love others in the same way he has loved us. Instead of asserting our rights or fighting for power, we need to begin asking ourselves what does love require of me.

Irresistible Andy Stanley, 2018-09-18. A fresh look at the earliest Christian movement reveals what made the new faith so compelling and what we need to change today to make it so again. Once upon a time, there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why then isn't it the same with Christianity today? Author and pastor Andy Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't about God's Word about their lives about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival.
