Angels and saints Catholics tend to think of them as different from the rest of us They re cast in plaster or simpering on a holy card performing miracles with superhero strength or playing a harp in highest heaven Yet they are very near to us in every way In this lively book Scott Hahn dispels the false notions and urban legends people use to keep the saints at a safe distance The truth is that Jesus Christ has united heaven and earth in a close communion Drawing deeply from Scripture Dr Hahn shows that the hosts of heaven surround the earthly Church as a great cloud of witnesses The martyrs cry out from heaven s altar begging for justice on the earth The prayers of the saints and angels rise to God in the Book of Revelation like the sweet aroma of incense Dr Hahn tells the stories of several saints and several angels too in a way that s fresh and new The saints are spiritual giants but with flesh and blood reality They have strong holy ambitions and powerful temptations and opposition that must be overcome Their stories are amazing and yet familiar enough to motivate us to live more beautiful lives In this telling of their story the saints are neither otherworldly nor this worldly They exemplify the integrated life that every Christian is called to live Still their lives are as different from one another as human lives can be Dr Hahn shows the heavenly Church in all its kaleidoscopic diversity from Moses to Mary Augustine to Therese and the first century to the last century Only saints will live in heaven We need to be more like the saints if we want to live in heaven someday Dr Hahn shows us that our heavenly life can begin now It must **Connecting with Your Angel A Guide to Your Guardian Angel**

Angelyn Joy,2014-12-31 **An Angels' Guide to Working with the Power of Light** Laura Newbury,2011-10-28 Born out of the author s cry for help and the surprise at receiving an answer from angels come these inspirational channelled messages giving guidance and answers to questions that are universal to all mankind The angels made it clear that their words in print carry the essence of the divine positively affecting all who read them The methods and techniques given by the

angels to heal physical and mental pain in answers to the author's questions are in fact answers to issues we all face at this time. The key theme throughout the angels messages is Transformation. Transformation from Fear, Despair and Ill Health to Joy, Abundance, Happiness and Well being by following the Truth of our Hearts by the Power of our Minds by Forgiveness of ourselves and others and through Gratitude and Trust.
