Angels and Demons John Hagee,2015-12-01 An in depth interactive companion study to John Hagee s new bestseller *The Three Heavens* *Chasing Immortality in World Religions* Deborah M. Coulter-Harris,2016-08-12 Humans have been chasing immortality since the beginning of history seeking answers to sickness and aging death and the afterlife and questioning the human condition Analyzing ideas from ancient Sumer Egypt Greece and India as well as the Abrahamic religions of Judaism Christianity and Islam this study explores how early religious models influenced later beliefs about immortality the afterlife the human soul resurrection and reward and punishment The author highlights shared teachings among the most influential religions and philosophies concluding that humankind has not substantially changed its conceptions of immortality in 6 000 years This continuity of belief may be due to chromosomal memory and cultural inheritance or may represent a fundamental way of conceptualizing the afterlife to cope with mortality Instructors considering this book for use in a course may request an examination copy here **The Invisible World** Anthony DeStefano,2011 The author of *A Travel Guide to Heaven* draws on scripturally sound teachings to explain how readers can connect with the spiritual dimension surrounding everyday life in order to achieve profound inner peace *A-Z Spirits* Bobbie J. Gilmore,2007-02-05 *A Z spirits Talking Demons* guarantees the reader a better understanding of the origin of sin and evil and how it negatively affects the entire world For this Book I had to first envision an angel society of workers a quarrel or conflict taking place between God and Satan the war between good and evil spirits and Satan and his angels expulsion from heaven The Bible does not record Satan s words because the Bible is the word of God However knowing of the devil s hateful spirit I could only imagine the words of Satan After reading this book you will find that all of what he has to say is so familiar *UNSEEN, But CERTAIN - Workbook* Danny Akin,2014-05-15 *Angels and Demons* Peter Kreeft,2009-09-03 In response to actual questions many people have asked him about angels and demons well known author and philosophy professor Peter Kreeft separates fact from fantasy and myth from reality as he answers 100 common questions about these spiritual beings Based on a very popular college course he teaches on this subject this book responds to the incredible amount of interest in angelic beings and attempts to clear up some of the misinformation abounding in the numerous books today on what we know about these mysterious spirits Drawing on the Bible traditional Church teaching and St Thomas Aquinas Kreeft gives straight clear answers to the perennial and philosophical questions asked about angels and demons throughout time In his typical lucid profound and sometimes humorous style Kreeft answers such questions as What are angels made of How do angels communicate with God How do angels communicate with us Do demons or devils or evil spirits really exist and many more Includes angel art Three Heavens John Hagee,2015-05-12 The Cornerstone Church senior pastor and New York Times bestselling author shares the Bible s revelations on spiritual warfare *Battles Are Raging Between Angels and Demons Over You* John Hagee s breathtaking biblical tour of the three heavens takes you inside the

timeless clash between the Kingdom of Light and the Kingdom of Darkness and explains why that battle makes all the difference in this world and the world to come In The Three Heavens Hagee uses the Word of God science and incredible true stories of the supernatural to explore the First Heaven He then exposes Satan s diabolical tactics in the Second Heaven and how they affect each one of us Finally he looks at the deep riches of the Third Heaven and how our hope of that eternal home changes our life on earth

Exploring Secrets of the Heavenly Realm: Mysteries of the Second Heaven Explained Bruce Hines,2018-11-10 The most advanced book on Spiritual Warfare to date Vol 1 of a series Learn the difference between demon and Fallen Angels The beginning of this book is a complete guide to Spiritual Warfare Then Bruce Hines moves to detail a vast group of Fallen Angels and demonic spirits that have a highly structured organization of levels and grades according to numbers Within this hierarchy they are organized as a kingdom of four different dimensions in the Second Heaven These different Fallen Angels within each of the four dimensions have descending orders of authorities and different rulers and sub rulers according to grade and number responsible for different areas of authority in the Second Heaven which rule over the earth through the minds of mankind This multi leveled kingdom of Fallen Angels has hordes of demonic spirits who work for them The Fallen seek to create environments in which they exercise a dominating influence through demonic activity The Bible speaks of the Fallen Angels as the corner point or the start of something They are pictured as military leaders of demonic realms The Bible labels them as thrones dominions principalities and powers They have far superior power than demonic forces and have particular roles in controlling the destiny and activities of human beings This book is the first of a series on how to defeat Fallen Angels and demonic forces that work for them It assumes the reader knows about spiritual warfare but it was written to advance the one who knows very little about spiritual warfare This series is a must read for every intercessor and recommended for everyone in the body of Christ
