THE CONFESSIONS OF A DUFFER These papers do not boast of great sport They are truthful not like the tales some fishers tell They should appeal to many sympathies There is no false modesty in the confidence with which I esteem myself a duffer at fishing Some men are born duffers others unlike persons of genius become so by an infinite capacity for not taking pains Others again among whom I would rank myself combine both these elements of incompetence Nature that made me enthusiastically fond of fishing gave me thumbs for fingers short sighted eyes indolence carelessness and a temper which usually sweet and angelic is goaded to madness by the laws of matter and of gravitation For example when another man is caught up in a branch he disengages his fly I jerk at it till something breaks As for carelessness in boyhood I fished by preference with doubtful gut and knots ill tied it made the risk greater and increased the excitement if one did hook a trout I can't keep a fly book I stuff the flies into my pockets at random or stick them into the leaves of a novel or bestow them in the lining of my hat or the case of my rods We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Angling Sketches** Lang Andrew, 2018-07-11 *Angling Sketches* by Lang Andrew *Angling Sketches* by Lang Andrew Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir
