Abolishing White Masculinity from Mark Twain to Hip-hop Stephany Rose, 2014-03-25 *Abolishing White Masculinity from Mark Twain to Hip-hop* examines white American male literature for its social commentary on the construction of whiteness in the United States Whiteness has always been a contested racial identity in the U S one in a state of construction and reconstruction throughout critical cultural and historical moments This text examines how white

American male writers have grappled with understanding themselves and their audiences as white beings. *Abolishing White Masculinity* from Mark Twain to Hip-hop specifically brings a critical whiteness approach to American literary criticism and strengthens the growing interdisciplinary field of critical whiteness studies in the humanities. Critical whiteness studies shifts the attention from solely examining people and perspectives of color in race discourse to addressing whiteness as an essential component of race ideology. The primary contribution of this perspective is in how whites construct and see whiteness for the larger purpose of exploring the possibilities of how they may come to no longer construct and see themselves through whiteness. Understanding this is at the heart of contemporary discussions of post-raciality.

Abolishing White Masculinity from Mark Twain to Hip-hop uses the following texts as canonical case studies: *Pudd'n Head Wilson* and *Those Extraordinary Twins* by Mark Twain; *The Great Gatsby* and *The Beautiful and the Damned* by F. Scott Fitzgerald; and *Angry Black White Boy* and *The End of the Jews* by Adam Mansbach. Each underscores the dialectic of formation, deformation, and reformation of whiteness at specific socio-historical moments based upon anxieties about race possessed by whites and highlighted by white fictionists. The selected writers ultimately serve dually as co-constructors of whiteness and social critics of their times through their literature.

Post-Soul Satire Derek C. Maus, James J. Donahue, 2014-07-07. From 30 Americans to *Angry White Boy* from *Bamboozled* to *The Boondocks* from Chappelle's Show to *The Colored Museum*, this collection of twenty-one essays takes an interdisciplinary look at the flowering of satire and its influence in defining new roles in black identity. As a mode of expression for a generation of writers, comedians, cartoonists, musicians, filmmakers, and visual conceptual artists, satire enables collective questioning of many of the fundamental presumptions about black identity in the wake of the civil rights movement. Whether taking place in popular and controversial television shows, in a provocative series of short internet films, in prize-winning novels and plays, in comic strips, or in conceptual hip-hop albums, this satirical impulse has found a receptive audience both within and outside the black community. Such works have been variously called post-black, post-soul, and examples of a New Black Aesthetic. Whatever the label, this collection bears witness to a noteworthy shift regarding the ways in which African American satirists feel constrained by conventional obligations when treating issues of racial identity, historical memory, and material representation of blackness. Among the artists examined in this collection are Paul Beatty, Dave Chappelle, Trey Ellis, Percival Everett, Donald Glover, a.k.a. Childish Gambino, Spike Lee, Aaron McGruder, Lynn Nottage, ZZ Packer, Suzan-Lori Parks, Mickalene Thomas, Tourmaline, Kara Walker, and George C. Wolfe. The essays intentionally seek out interconnections among various forms of artistic expression. Contributors look at the ways in which contemporary African American satire engages in a broad-ranging critique that exposes fraudulent, outdated, absurd, or otherwise damaging mindsets and behaviors both within and outside the African American community.

Beyond the White Negro Kimberly Chabot Davis, 2014-07-15. Critics often characterize white consumption of African American culture as a form of theft that echoes the fantasies of 1950s-era bohemians or White Negroes who romanticized black culture as anarchic and sexually

potent In *Beyond the White Negro* Kimberly Chabot Davis claims such a view fails to describe the varied politics of racial crossover in the past fifteen years Davis analyzes how white engagement with African American novels film narratives and hip hop can help form anti racist attitudes that may catalyze social change and racial justice Though acknowledging past failures to establish cross racial empathy she focuses on examples that show avenues for future progress and change Her study of ethnographic data from book clubs and college classrooms shows how engagement with African American culture and pedagogical support can lead to the kinds of white self examination that make empathy possible The result is a groundbreaking text that challenges the trend of focusing on society s failures in achieving cross racial empathy and instead explores possible avenues for change

Neo-Passing Mollie Godfrey, Vershawn Young, 2018-02-21 African Americans once passed as whites to escape the pains of racism Today s neo passing has pushed the old idea of passing in extraordinary new directions A white author uses an Asian pen name heterosexuals live out as gay and irony of ironies whites try to pass as black Mollie Godfrey and Vershawn Ashanti Young present essays that explore practices performances and texts of neo passing in our supposedly postracial moment The authors move from the postracial imagery of *Angry Black White Boy* and the issues of sexual orientation and race in ZZ Packer s short fiction to the politics of Dave Chappelle s skits as a black President George W Bush Together the works reveal that the questions raised by neo passing questions about performing and contesting identity in relation to social norms remain as relevant today as in the past Contributors Derek Adams Christopher M Brown Martha J Cutter Marcia Alesan Dawkins Michele Elam Alisha Gaines Jennifer Glaser Allyson Hobbs Brandon J Manning Loran Marsan Lara Narcisi Eden Osucha Gayle Wald and Deborah Elizabeth Whaley

"Baad Bitches" and Sassy Supermamas Stephane Dunn, 2008-08-04 This lively study unpacks the intersecting racial sexual and gender politics underlying the representations of racialized bodies masculinities and femininities in early 1970s black action films with particular focus on the representation of black femininity Stephane Dunn explores the typical sexualized subordinate positioning of women in low budget blaxploitation action narratives as well as more seriously radical films like *Sweet Sweetback s Baadasssss Song* and *The Spook Who Sat by the Door* in which black women are typically portrayed as trifling bitches compared to the supermacho black male heroes The terms baad bitches and sassy supermamas signal the reversal of this positioning with the emergence of supermama heroines in the few black action films in the early 1970s that featured self assured empowered and tough or baad black women as protagonists Cleopatra Jones Coffy and Foxy Brown Dunn offers close examination of a distinct moment in the history of African American representation in popular cinema tracing its emergence out of a radical political era influenced especially by the Black Power movement and feminism *Baad Bitches* and *Sassy Supermamas* also engages blaxploitation s impact and lingering aura in contemporary hip hop culture as suggested by its disturbing gender politics and the baad bitch daughters of Foxy Brown and Cleopatra Jones rappers Lil Kim and Foxy Brown
