

How To Draw Anime.

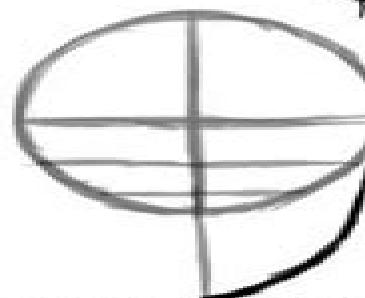

Simple Anime Face.

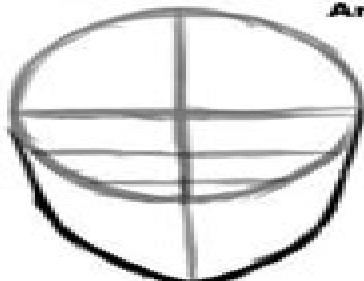

First, start off with a circle and draw a cross through it. You will want to do all of the following in pencil and go over in pen later.

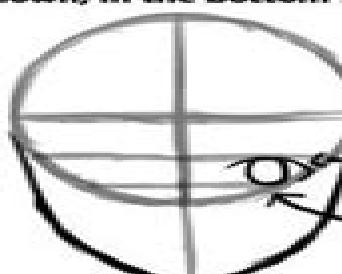

Next draw a line from the bottom of the circle the same length as the bottom half of vertical line above that. And two lines as shown, in the bottom half of the circle.

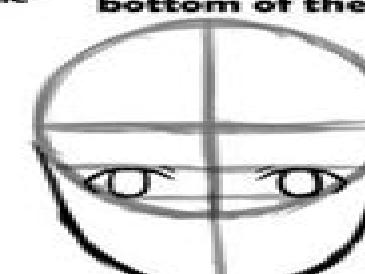

Then draw a line down from the edge of the circle and half way down curve it in to meet the bottom of the line.

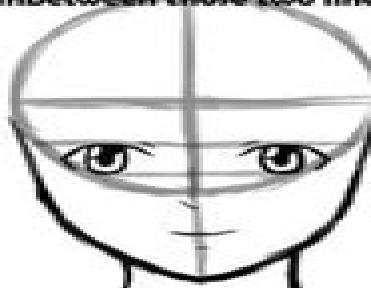

Do the same on the other side.

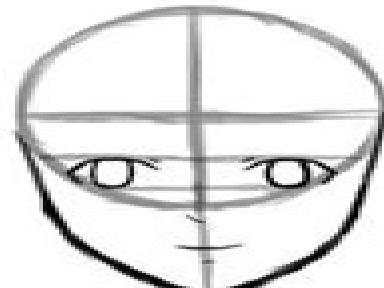

Next draw half-a-lemon-shaped outline with an oval in the center (with a slightly flat bottom) at the inner edge of the circle and inbetween those two lines.

Do the same on the other side, and add two marks above the eyes to show the eyelids.

Now add highlights and pupils to the eyes and a neck.

Add a diagonal mark just below the circle for the nose, and a mouth halfway between the nose and chin.

And finally add hair and eyebrows! Now you've finished you may want to go over everything (accept your guidelines) in pen and rub out the pencil!!
