Publisher description. *Positive Poker* Dr. Patricia Cardner with Jonathan Little, Why are the best poker players actually the best? Every serious poker player wants to be successful, and many of them have the right technical skills. However, the truth is that there are key mental factors that separate the big winners from everyone else. Patricia Cardner is a psychology professor, licensed professional counselor, and dedicated poker player. She interviewed a select group of professional poker players who share two key characteristics: ALL of them have been successful over many years, and ALL of them have lifetime winnings of more than 1,000,000. Patricia analyzed the results to determine exactly what psychological skills, techniques, and strategies they use. This book is the result of her studies. *Positive Poker* outlines the mental skills that you need to develop if you want to raise your game. *Positive Poker* will help you to optimize your
