approaching an age where there will be the death of mystery and we will have only reality Hickey believes this is because the vast majority of the populace doesn't view reality in the context of mystery They imagine mystery to be something which is just obscure or ambiguous which given enough time will be solved by reason and logic and become reality Hickey's goal is that Get Real will give the reader a fresh understanding of both reality and mystery as seen from a theological and philosophical viewpoint Ultimately he intends the reader to move beyond the perceived duality in order to establish that mystery is truly the home of all reality
