Adventures Among Books Andrew Lang,1905 **Adventures Among Books** Andrew Lang,2018-02-04 Excerpt The first books which vividly impressed me were naturally fairy tales and chap books about Robert Bruce William Wallace and Rob Roy At that time these little tracts could be bought for a penny apiece I can still see Bruce in full armour and Wallace in a kilt discoursing across a burn and Rob Roy slipping from the soldier s horse into the stream They did not then awaken a precocious patriotism a boy of five is more at home in Fairyland than in his own country We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

Adventures Among Books by Andrew Lang Andrew Lang,2009-03-03 **Adventures Among Books** Andrew Lang,2018-08-13 Adventures Among Books by Andrew Lang In an age of reminiscences is there room for the confessions of a veteran who remembers a great deal about books and very little about people I have often wondered that a Biographia Literaria has so seldom been attempted a biography or autobiography of a man in his relations with other minds Coleridge to be sure gave this name to a work of his but he wandered from his apparent purpose into a world of alien disquisitions The following pages are frankly bookish and to the bookish only do they appeal The habit of reading has been praised as a virtue and has been denounced as a vice In no case if we except the perpetual study of newspapers which cannot fairly be called reading is the vice or the virtue common It is more innocent than opium eating though like opium eating it unlocks to us artificial paradises I try to say what I have found in books what distractions from the world what teaching not

much and what consolations We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience [Adventures Among Books](#) Andrew Lang,2021-03-05

People talk in novels about the delights of a first love One may venture to doubt whether everybody exactly knows which was his or her first love of men or women but about our first loves in books there can be no mistake They were and remain the dearest of all after boyhood the bloom is off the literary rye The first parcel of these garrulities ended when the author left school at about the age of seventeen One's literary equipment seems to have been then almost as complete as it ever will be one's tastes definitely formed one's favourites already chosen As long as we live we hope to read but we never can recapture the first fine carelessness rapture Besides one begins to write and that is fatal My own first essays were recomposed at school for other boys Not long ago the gentleman who was then our English master wrote to me informing me he was my earliest public and that he had never credited my younger brother with the essays which that unscrupulous lad I speak of him but brotherly was accustomed to present for his consideration On leaving school at seventeen I went to St Leonard's Hall in the University of St Andrews That is the oldest of Scotch universities and was founded by a papal bull St Leonard's Hall after having been a hospitium for pilgrims a home for old ladies about 1500 and a college in the University was now a kind of cross between a master's house at school and as before 1750 a college We had more liberty than schoolboys less than English undergraduates In the Scotch universities the men live scattered in lodgings and only recently at St Andrews have they begun to dine together in hall We had a common roof common dinners wore scarlet gowns possessed football and cricket clubs and started of course a kind of weekly magazine It was only a manuscript affair and was profusely illustrated For the only time in my life I was now an editor under a sub editor who kept me up to my work and cut out my fine passages The editor's duty was to write most of the magazine to write essays reviews of books by the professors very severe novels 15 short stories poems translations also to illustrate these and to fag his friends for copy and drawings A deplorable flippancy seems as far as one remembers to have been the chief characteristic of the periodical flippancy and an abundant use of the supernatural These were the days of Lord Lytton's Strange Story which I continue to think a most satisfactory romance Inspired by Lord Lytton and aided by the University library I read Cornelius Agrippa Trithemius Petrus de Abano Michael Scott and struggled with Iamblichus and Plotinus [Adventures Among Books](#) Andrew ANDREW LANG,2020-04-08 CLASSICS [Adventures Among Books, by](#)
