Adventures In Orthodoxy:

Adventures in Orthodoxy Dwight Longenecker,2003 Watch out Chesterton and C S Lewis Here s a writer as clear and as exciting Christians often find the Creed as tedious as a contract and orthodoxy dull as dirt In these lively pages written for Christians and non Christians alike Dwight Longenecker shows that on the contrary orthodoxy is exciting and the Creed the beginning of a grand mysterious adventure Longenecker demonstrates that like an omate cathedral rich with endless nuances of light and shade the Creed teases with paradoxical possibilities it bursts with magnificent meaning and unexpected eternal insights It sweeps away nihilism challenges indifference and uproots religion grown stale and pedestrian In a word says Longenecker the Creed catapults believers to the brink of mystery and invites them to dwell there in silent wonder and contemplation Here you ll finally encounter the Creed as it really is a striking affirmation that bears us not into theological dead ends but unto a world that never ends not into an obsolete medieval universe closed dark and dying but unto a bright and exciting world that moves in ever increasing spirals of glory a world to which the only natural response is a grateful and hearty Amen! Here is Catholic orthodoxy as heavy as the universe made to dance like the universe Reading this is like coming upon old Augustine dressed up like St Francis We may have another Chesterton coming along here Thomas Howard author

Splendor in the Ordinary **The Thrill of Orthodoxy** Trevin Wax,2022-10-25 Every generation faces the temptation to wander from Christian teaching and so every generation must be awakened again to the thrill of orthodoxy Returning to the church s creeds Trevin Wax beckons us away from the broad yet ultimately boring road of heresy and toward the path of orthodoxy where true adventures can be found

Adventures in the Unseen Makarios Tillyrides,2004 The manner in which Orthodoxy was introduced into East Africa during the twentieth century and the way in which it has taken root and spread can only be explained in terms of a Divine miracle Orthodoxy has spread phenomenally throughout East Africa From Uganda it has spread into Kenya Tanzania and all Africa In recent years the Orthodox Churches of Finland Greece Cyprus and America have assisted their sister Church in East Africa This help in no way detracts from the fact that the planting of Orthodoxy in East Africa was achieved by African men and African enterprise without any external missionary support His Eminence Archbishop Makarios Metropolitan of Zimbabwe a native of Cyprus began his missionary activity in East Africa as the Principal of the Patriarchal Seminary which was established in Kenya by His Beatitude Archbishop Makarios III of Cyprus In 1992 he was elected and consecrated Bishop of Riruta He continued as principal of the Patriarchal Seminary until September 1997 The following year the Holy Synod of the Patriarchate of Alexandria elected him as Metropolitan of Zimbabwe His collection of sermons and other discourses delivered on various occasions gives an insight into a work of transformation Seventy years ago authentic Orthodoxy did not exist in East Africa Today a network of hundreds of parishes extends across the length and breadth of this vast area of the continent It is an event of no small significance in modern Christian history These sermons serve to provide a witness to this remarkable phenomenon

,1924 **An Adventure in Orthodoxy** Joseph M. M. Gray,1923 **The Adventure of Weak Theology** Itefan Itofaník (1976-2014),2018-10-16 Itofaník provides a unique personal reading of weak theology and tries to inhabit the gap between it and its founder John D Caputo In this distinctive exploration of John D Caputo's work Itofaník traces Caputo's journey of philosophical discovery from his earlier more conventional academic writings to his later almost confessional works of weak theology and his deep engagement with Derrida Itofaník draws upon Caputo's life story to help explain sudden shifts in Caputo's thinking offers intricate readings of philosophical passages that have all too often been taken for granted and joins in Caputo's effort to find a theology that can be trusted and that does not rely upon dogmatic and hierarchical authority At the same time Itofaník subtly disagrees with aspects of Caputo's view and turns to the work of Antoine de Saint Exupéry as a way to suggest that one cannot take leave of the tradition of theology as easily as Caputo thinks At times The Adventure of Weak Theology reads like a letter to Caputo and Itofaník's own passion for theology his deep understanding of Caputo's work and his gift for writing makes this an immensely appealing book for both admirers and critics of Caputo Itofaník has read my work with extraordinary care and he has done so with a very acute ear for my authorial voice this person whom I impersonate when I write this persona I inhabit in my books I am not sure if this fellow who appears in print is the real me or a put on the one who I really am or the one I want to be Either way he only emerges or emerges best of all when I write and Itofaník had a pitch perfect ear for that voice He didn't miss anything He caught it every time it was important from the Afterword by John D Caputo **The Adventures of Button** Button Douglas,2015-05-12 The Button story is of a self absorbed lazy everyday little kid without financial means wading through life's difficulties finally beginning to become successful in his forties The story speaks to the enhancing value of failure as a driver of success Besides the story of Button the book speaks to A Self Cure for Phobias A Self Cure for Anxiety How Freedom in the World began only 600 years ago Religious History and Development in the World Moral Psychology of Polit **The Publishers Weekly** ,1923 **The Christian Advocate** ,1924
