

The background of the slide is a photograph of a sunset or sunrise. The sky is a deep blue with many small white stars. The sun is low on the horizon, creating a bright orange and yellow glow. In the foreground, there are dark, silhouetted mountains. The text "WHAT IS THE GOOD NEWS?" is centered in the upper half of the image in a white, serif font. The word "GOOD" is larger than "NEWS?". There are white, stylized lines radiating from the text, giving it a glowing or starburst effect.

## **And The Good News Is:**

*The good news is true; or, What an English clergyman saw in Connemara* George Venables, 1865      **I Have Good News and Bad News** Alnoor Rajan Talwar, 2010-03 Rajan Talwar's book is not simply an individual's journey through the trials of living with Multiple Sclerosis. It is a discourse between a thinking, reflective being with his world. It is a discourse on life not in any abstract fashion but in the very real essence of living each day to its fullest. His sense of humour prevails even in his darkest moments of anger and despair as he punctuates some of the most painful moments of his life with this humour. Every chapter contains a positive lesson from a negative circumstance. The question of self-growth for the author is linked to the inexorable condition of the disease that holds him captive. Boustan Hirji Dawson College. Unique self-told story of pain, courage, and triumph. A candid account of the real turbulences of life. Informative of treatments that the medical profession considers Witchcraft. Passionately written. Refreshingly honest, open, and sensitive. The author invites us to his world of MS and takes us on an intimate tour of his fears, hopes, despair, strengths. On this tour, we encounter our own innermost being; we find reflected in his world our own world. We find the echoes of our own questions and we question our responses to the world we all live in. He provides us with the lens through which to view his world, and we find that this lens is indeed a reflection of our own world. In this sense, his world of MS is indeed our world, and MS is then our metaphor for the calamities of our lives. This is one man's journey of coming to terms with his reality, and it can only inspire us and help us to come to terms with our own reality. A must-read for every thinking, feeling, and struggling person. Zeenat Shariff, Aga Khan University.

**Reckoning with Race and Performing the Good News** Vincent Bacote, 2020-11-30. The Good news is central to evangelical theology and the movement known as evangelicalism, but the news has not always been good for minorities who inhabit evangelical communities and institutions in the United States. Vincent Bacote argues a reckoning with questions of race is necessary for evangelical theology to help cultivate an evangelical movement more hospitable to minorities, particularly African Americans. Evangelicalism is here regarded not only as a set of beliefs about the Bible, Christ's work on the cross, conversion, and witness, but also as a set of dispositions and postures that create openness to the concerns of minorities. With a perpetually uneasy conscience, Christians within the evangelical movement can cultivate a disposition ready to learn from the questions and contributions of minorities in evangelical spaces such as William Bentley and Carl Ellis. A better evangelical theology is proposed as doctrines that yield actions that are truly good news for all.      **Good News and Good Works** Ronald J. Sider, 1999-03-01. Concerned to promote an authentic biblical faith, this book suggests ways to combine evangelism with social action for effective witness in today's world.      *Good News is Bad News is Good News* William K. McElvaney, 1980.      The Theme of Promise in the Epistle to the Hebrews Daniel Stevens, 2025-04-24. Daniel Stevens analyses the use of the language of divine commitment in the Epistle to the Hebrews, arguing that the author distinguishes promise from the cultic language of covenant to sketch a unique mixture of continuity and discontinuity among the people of God.

across time Stevens stresses through an exegesis of relevant passages that rest is not the primary content of promise nor is it the primary lens through which the other instances of promise language should be understood suggesting instead that the promise is most closely associated with the benefits promised to Abraham and then mediated through the various subsequent covenants He further explores how the divine promise relates to both the Old and New Covenants arguing that Hebrews develops a view of salvation history in which covenants are founded upon promises and then bring those promises to fruition By demonstrating the ways in which this understanding of promise sheds light on the author's hermeneutic and on his method of achieving his hortatory purposes for the epistle Stevens concludes in a reassertion of the consistency of the author's thought regarding promise

What'S so Good About the Good News? Charles Lee Bilberry,2012-03-21 The word gospel literally means good news It is the good news that God saves sinners Man is by nature sinful and separated from God with no hope of remedying that situation But God by His power provided the means of man's redemption in the death burial and resurrection of the Savior Jesus Christ The Bible is full of good news But there is no greater news than the salvation we have through Jesus Christ In Whats So Good About The Good News the author explains why the good news is so good through eight doctrinal elements that are essential to the Christians faith

**Simply Good News** Tom Wright,2015-03-19 The Gospel means good news but what makes it news If the message has been around for 2 000 years what could possibly be newsworthy about it And what makes it good Surely not the stories we hear of damnation violence and an angry God Tom Wright believes many Christians have lost sight of what the good news of the gospel really is In Simply Good News he shows how a first century audience would have received the gospel message what the good news means for us today and how it can transform our lives
