South Carolina Patriot  
in the Revolutionary War

WILLIAM R. REYNOLDS, JR.

# Andrew Pickens South Carolina Patriot In The Revolutionary War

**Bobby Gilmer Moss**

## **Andrew Pickens South Carolina Patriot In The Revolutionary War:**

**Andrew Pickens** William R. Reynolds, Jr., 2012-08-16 Brigadier General Andrew Pickens was a primary force bringing about the end of British control in the Southern colonies. His efforts helped drive General Cornwallis to Yorktown, Virginia. His later actions on behalf of the Cherokee Nation are fully explored and much never before published information about him, his family and his peers is included. Andrew Pickens loved his country and was a fearless exemplar of leadership. He earned the unyielding respect of his superiors, his fellow officers and most importantly his militiamen.

### **The Life and Times of**

**General Andrew Pickens** Rod Andrew Jr., 2017-02-23 Andrew Pickens 1739-1817 the hard fighting South Carolina militia commander of the American Revolution was the hero of many victories against British and Loyalist forces. In this book Rod Andrew Jr. offers an authoritative and comprehensive biography of Pickens the man, the general, the planter and the diplomat. Andrew vividly depicts Pickens as he founds churches, acquires slaves, joins the Patriot cause and struggles over Indian territorial boundaries on the southern frontier. Combining insights from military and social history, Andrew argues that while Pickens' actions consistently reaffirmed the authority of white men, he was also determined to help found the new republic based on broader principles of morality and justice. After the war, Pickens sought a peaceful and just relationship between his country and the southern Native American tribes and wrestled internally with the issue of slavery. Andrew suggests that Pickens' rise to prominence, his stern character and his sense of duty highlight the egalitarian ideals of his generation as well as its moral shortcomings, all of which still influence Americans' understanding of themselves.

### **The Life and Times of**

**General Andrew Pickens** Rod Andrew Jr., 2017 Though best known as a Revolutionary War general, Andrew Pickens 1739-1817 was more than just an influential military figure in the early American republic, also serving as a church leader, justice of the peace, legislator and congressman. In this book, Rod Andrew Jr. offers the first comprehensive biography of Pickens, a hero at the pivotal Battle of Cowpens. In over a generation, Andrew defines his subject as a man of action, analyzing his motivations in context of the tumultuous and often violent landscape of early America. Andrew depicts the life of Pickens as he founds churches, acquires slaves, joins in the fight against the British in the American Revolution and struggles over Indian territorial boundaries on the southern frontier.

### *Southern Brigadier Generals in the Revolutionary War* Douglas M.

Branson, 2024-07-09 The stories of Southern brigadier generals during the Revolutionary War remain largely forgotten or untold, but their experiences were unique. During the war, 13 of the 58 brigadier generals, the lowest ranking generals who served under George Washington, died because of combat wounds or under British captivity. Seven of those 13 hailed from the southernmost and, excepting Virginia, less populated colonies. Proportionally, they were more likely to become casualties or prisoners than were their Northern counterparts, and they were far more likely than were the more senior major generals (only one of whom died during the war) out of 28 total officers. This book profiles the 18 Southern brigadier generals and their service during the American Revolution. It makes the case that Washington and his brigadier generals, especially the Southern

brigadiers won the war in spite of the major generals many of whom exhibited cowardice alcoholism insubordination womanizing or ineffective leadership more than half of the major generals were effectively cashiered or voluntarily left military service long before Yorktown and the war's conclusion. The author demonstrates that as much as Benjamin Franklin Thomas Jefferson Alexander Hamilton and other politicians the war's brigadier generals should be viewed as founding fathers too.

**The Revolutionary War in South Carolina** Steven D. Smith, Kevin Dougherty, 2025-03-31 A real page turner a must read for devotees of America's struggle for Liberty and for scholars and students of the Military Art of Leadership. Joining history and modern management thought in one volume illuminating great men in the crucible of crisis and combat from the strategic to the tactical from the political to the logistical. Here is a compelling expert telling of the Revolutionary War in its critical human dimension. Leadership Steven Smith and Kevin Dougherty's collaboration is a winning combination of history and applied leadership theory as to illuminate the bloody contest in South Carolina that changed the world. Major General J B Burns US Army Ret Trustee SC RevWar250 An examination of the panorama of individuals whose leadership helped make the Patriot cause successful in South Carolina. Historians Steven D Smith and Kevin Dougherty look beyond the towering figure of Francis Marion to profile significant personalities and actions both on and off the battlefield in this innovative approach to the Revolutionary War in South Carolina. The book profiles a range of individuals Henry Laurens was the President of the Council of Safety Richard Furman was the pastor of a church John Rutledge was the Governor of South Carolina and Rebecca Motte was a plantation owner William Moultrie and Andrew Pickens perhaps most familiar as soldiers are discussed in their non combatant roles Moultrie as a prisoner of war and Pickens as a post war civic leader. Military leaders William Jasper Thomas Sumter Francis Marion Isaac Shelby Nathanael Greene Daniel Morgan Tadeusz Kosciuszko Hezekiah Maham and Henry Lee round out the selection of profiles. The profiles are preceded by a historical overview of the Southern Campaign and the Revolutionary War in South Carolina in order to provide the reader the background necessary to understand the leadership profiles in context. The book's conclusion highlights that the Revolutionary War was a landmark in the democratization of war and that the choices made by these leaders and their followers reflect the same element of choice inherent in the democratic process.

[Roster of South Carolina Patriots in the American Revolution. Volume I, A-J](#) Bobby Gilmer Moss, 2009-07 **American Revolution** Spencer C. Tucker, 2018-09-14 With more than 1 300 cross referenced entries covering every aspect of the American Revolution this definitive scholarly reference covers the causes course and consequences of the war and the political social and military origins of the nation. This authoritative and complete encyclopedia covers not only the eight years of the American Revolutionary War 1775 1783 but also the decades leading up to the war beginning with the French and Indian War and the aftermath of the conflict with an emphasis on the early American Republic. Volumes one through four contain a series of overview essays on the causes course and consequences of the American Revolution followed by impeccably researched A Z entries that address the full spectrum of political social and

military matters that arose from the conflict Each entry is cross referenced to other entries and also lists books for further reading In addition there is a detailed bibliography timeline and glossary A fifth volume is devoted to primary sources each of which is accompanied by an insightful introduction that places the document in its proper historical context The primary sources help readers to understand the myriad motivations behind the American Revolution the diplomatic military and political maneuvering that took place during the conflict and landmark documents that shaped the founding and early development of the United States

The Cherokee Struggle to Maintain Identity in the 17th and 18th Centuries William R. Reynolds, Jr.,2015-01-23 With the arrival of Europeans in North America the Cherokee were profoundly affected This book thoroughly discusses their history during the Colonial and Revolutionary War eras Starting with the French and Indian War the Cherokee were allied with the British relying on them for goods like poorly made muskets The alliance proved unequal with the British refusing aid even as settlers made incursions into Cherokee lands while requiring them to fight on the British side against the French and rebellious Americans At the same time the Cherokee were moving away from their traditions and leadership disagreements caused their nation to become fragmented All of this resulted in the loss of Cherokee ancestral lands

The South Carolina Encyclopedia Guide to the American Revolution in South Carolina Walter Edgar,2012-11-02 The South Carolina Encyclopedia Guide to the American Revolution in South Carolina details the people places and struggles that defined the region s prominent role in the path to American liberty from British authority Nearly 140 battles of the American Revolution were fought in South Carolina more than in any other colony As America s first civil war the revolution pitted Loyalists against partisans and patriots in the fierce combat that established the legacies of figures such as Francis Marion Nathanael Greene Peter Horry Henry and John Laurens Daniel Morgan and Andrew Jackson In addition to profiling these leaders this guide also chronicles the major combat operations including the battles of Ninety Six Cowpens Camden Kings Mountain and Charleston Harbor Also documented are the vital contributions of African Americans and Native Americans in the struggle and the roles of Revolutionary War heroines such as Kate Barry Emily Geiger Rebecca Brewton Motte and Dorcas Nelson Richardson The origins of the South Carolina state flag and seal in the war are detailed as well in this treasure trove of fascinating information for students and historians of the American Revolution

The Encyclopedia of the American Revolutionary War Gregory Fremont-Barnes, Richard Alan Ryerson,2006 Contains entries that provide information on topics related to the American Revolution covering politics people warfare and culture arranged alphabetically from M to R with maps and illustrations
