**The Wrong Set and Other Stories** Angus Wilson, 2009-06-04 Angus Wilson's first volume of short stories The Wrong Set was first published in 1949 to immense critical acclaim The collection is a brilliantly funny exposure of the protective devices with which people seek to mask deep laid egotism There is the wallowing in self adulation on the part of the crazy Cockshott family as they delight to dub themselves There is the search for really nice standards on the part of Vi singer at the Passion Fruit nightclub as hopelessly bemused a spirit as ever lived in sin at Earl's Court and attempted to lecture a young Communist nephew with untidy hair and spectacles There is the humbug of the bullying new curator at the provincial Art Gallery And the staff dance at the South Kensington hotel where lives the lady who spends her life trying to

achieve a Knightsbridge appearance on a Kensington purse and where as the evening progresses and the drinks begin to tell the lady like fades and gentlemanly courtesy of the clientele crack up with a vengeance **Current Biography**, 1959

**The Strange Ride of Rudyard Kipling** Angus Wilson, 1979-01-01 *Biography*, 1997 An interdisciplinary quarterly

**The Afterlife** Penelope Fitzgerald, 2004-09-22 A posthumous collection of literary essays explores the afterlife of the writing community defined as a legacy experienced in the minds and hearts of their readers in a volume that includes introductions to major works of literature reviews of fellow authors and explorations of lesser known writers From the late novelist and biographer Penelope Fitzgerald a collection of essays almost all of them unknown to her countless American admirers on books travel and her own life and work A good book wrote John Milton is the precious life blood of a master spirit embalmed and treasured up on purpose to a life beyond life In this generous posthumous collection of her literary essays and reviews Penelope Fitzgerald celebrates the life beyond life of dozens of master spirits their afterlife not only in the pages of their works but in the minds of their readers critics and biographers Here are Fitzgerald's brilliant introductions to the classics Jane Austen's Emma George Eliot's Middlemarch the works of Mrs Oliphant as well as considerations of recent novels by Barbara Pym Carol Shields Roddy Doyle and Amy Tan Here too are reviews of several late twentieth century literary biographies including Richard Holmes's Coleridge A N Wilson's C S Lewis and Martin Stannard's Evelyn Waugh reviews that together form a memorable criticism both of life and the art of life writing *Research Guide to Biography and Criticism* Walton Beacham, 1985 Description and evaluation of the most important biographical autobiographical and critical sources published about 127 British American and Canadian writers **No Laughing Matter** Angus Wilson, 2012-03-15 A panoramic novel that stretches from 1912 to 1967 No Laughing Matter is perhaps Angus Wilson's most autobiographical novel The novel chronicles the end of the bourgeois way of life as seen through the lives of the six Matthews children and their dysfunctional middle class family Their parents Billy Pop and the Countess are objects of ridicule to their children who vow never to make their mistakes Quentin the eldest is a socialist who adores women His fervent views however become distilled over the years until he transforms into a cynical TV pundit Gladys plump and amenable is unlucky in love and eventually falls for the charms of a crook Rupert the handsome actor has a successful career until he fails to adapt to the changing theatre Margaret is a brilliant and highly acclaimed novelist but she becomes bitter as her twin Sukey sinks into domestic bliss while Marcus the baby of the family believes that his career is his life An ambitious and enriching novel No Laughing Matter is an extraordinary work in its depictions of complex family relationships where it is just as easy to hate as to love and where everyone struggles to be an individual
