Economics March 2014 Question Paper And Memorandum

Sharon Pickering, Julie Ham

Economics March 2014 Question Paper And Memorandum:

Accountability in the Economic and Monetary Union Menelaos Markakis, 2020-04-02 Following the financial and public debt crisis the EU's Economic and Monetary Union EMU has been under intense political scrutiny The measures adopted in response to the crisis have granted additional powers to the EU and national authorities the exercise of which can have massive implications for the economies of the Member States financial institutions and of course citizens The following questions arise how can we hold accountable those institutions that are exercising power at the national and EU level What is the appropriate level type and degree of accountability and transparency that should be involved in the development of the EU's governance structures in the areas of fiscal and economic governance and the Banking Union What is the role of parliaments and courts in holding those institutions accountable for the exercise of their duties Is the revised EMU framework democratically legitimate How can we bridge the gap between the citizens and the institutions that represent them and those institutions that are making these important decisions in the field of economic and monetary policy This book principally examines the mechanisms for political and legal accountability in the EMU and the Banking Union It examines the implications that the reforms of EU economic governance have had for the locus and strength of executive power in the Union as well as the role of parliaments and other political fora and courts in holding the institutions acting in this area accountable for the exercise of their tasks It further sets out several proposals regarding transparency accountability and legitimacy in the EMU

The Routledge Handbook on Crime and International Migration Sharon Pickering, Julie Ham, 2017-07-14 The Routledge Handbook on Crime and International Migration is concerned with the various relationships between migration crime and victimization that have informed a wide criminological scholarship often driven by some of the original lines of inquiry of the Chicago School Historically migration and crime came to be the device by which Criminology and cognate fields sought to tackle issues of race and ethnicity often in highly problematic ways However in the contemporary period this body of scholarship is inspiring scholars to produce significant evidence that speaks to some of the biggest public policy questions and debunks many dominant mythologies around the criminality of migrants The Routledge Handbook on Crime and International Migration is also concerned with the theoretical empirical and policy knots found in the relationship between regular and irregular migration offending and victimization the processes and impact of criminalization and the changing role of criminal justice systems in the regulation and enforcement of international mobility and borders The Handbook is focused on the migratory fault lines between the Global North and Global South which have produced new or accelerated sites of state control constructed irregular migration as a crime and security problem and

mobilized ideological and coercive powers usually reserved for criminal or military threats Offering a strong international focus and comprehensive coverage of a wide range of border criminal justice and migration related issues this book is an important contribution to criminology and migration studies and will be essential reading for academics students and practitioners interested in this field

Beyond Ukraine Aldo Ferrari, 2017-07-20 During the last 15 years Putin's policies have produced a number of controversial effects both at the international and domestic levels some diplomatic results and unresolved regional conflicts In foreign policy he accordingly launched the idea of a Greater Europe To this aim and with the view to highlighting the goodwill of the Russian government to enhance cooperation with the European Union as a pro active and equal partner Sooner than expected political divergences and vital interests emerged As a result the Greater Europe project was progressively frozen if not plainly abandoned However the EU Russia joint attempts to solve the Ukrainian crises which were undertaken during the Normandy Four meetings Germany France Russia Ukraine resulted in signing the weak but still important Minsk agreements This helps to prove that there is still room for cooperation between the two sides These agreements may hopefully set the stage for a more comprehensive deal aiming to close the gap between the EU's and Russia's competing visions
