Note: Delete this and the next page once you complete the template.

Who should use this template?

Small to medium sized business owners who use information technology in their business.

Why use a policy and procedure manual?

This Information Technology (IT) policy and procedure manual is for the small to medium sized business owner and their employees.

The main benefits to having this policy and procedure manual:

- ensures all staff are aware of obligations in relation to selection, use and safety when utilising information technology within the business
- is a proven way to help your managers and supervisors make consistent and reliable decisions
- helps give each employee a clear understanding as to what you expect and allow.

It takes a little effort to complete, but brings definite long-term benefits, reduces disputes, and adds to the professionalism of your business.

Community and Nurse-Managed Health Centers Donna L. Torrisi, 2005-06-03 Designated a Doody's Core Title Winner of an AJN Book of the Year Award. A National Nursing Centers Consortium Guide. This book provides a step by step guide to starting and sustaining a community health center with an emphasis on nurse managed centers. The authors share their firsthand knowledge with readers including information on developing a mission statement, pulling together an advisory board, writing a business plan and getting funding. The process for obtaining Federally Qualified Health Center Status and thus federal funding is described. Of great value is the book's Appendix which provides very useful examples. They include sample bylaws, a full policy and procedure manual, physician and nurse practitioner collaborative agreements, job descriptions, a contract with a local agency and outcome and assessment guidelines. Donna Torrisi is the founder of The Family Practice and Counseling Network in Philadelphia which provides primary health services to public housing residents. Tine Hansen Turton is the Executive Director of the National Nursing Centers Consortium. For further information please click here.
