Health Care Job Explosion! Dennis V. Damp, 2006 *Health Care Job Explosion* offers a distinct advantage over other books of this type. It is two books in one: a comprehensive Career Guide plus a dynamic Job Finder. This dual format permits comparisons between specialties and offers insight into qualifications, cross training potential, and pay. You can easily locate occupations with similar skills and required training. Opportunities abound for all levels of education, from a high school diploma to Doctorate Degrees. Each occupational description lists required education and/or on-the-job training. This book presents detailed information for all major occupations, including: Occupational descriptions, Required training and education, Advancement opportunities, Related occupations, Qualifications, Required certifications, Licenses, Job outlook, Earnings, Average salary, Interviews with health care workers. Visit this book's companion web site at <http://healthcarejobs.org> for book updates and additional information.
