BRM

Dear Amanda,

I have things to  
get off my chest and  
apologies to make.

Then I have a  
favor to ask of  
you—and I'm afraid  
it's a big one...

**The Life and Letters of William Sharp and "Fiona Macleod". Volume 2: 1895-1899** William F. Halloran, 2020-04-14 What an achievement It is a major work The letters taken together with the excellent introductory sections so balanced and judicious and informative what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a figure he is Clearly a major reassessment is due and this book could make it happen Andrew Hook Emeritus Bradley Professor of English and American Literature Glasgow University William Sharp 1855 1905 conducted one of the most audacious literary deceptions of his or any time Sharp was a Scottish poet novelist biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod This was far more than just a pseudonym he corresponded as Macleod enlisting his sister to provide the handwriting and address and for more than a decade Fiona Macleod duped not only the general public but such literary luminaries as William Butler Yeats and in America E C Stedman Sharp wrote I feel another self within me now more than ever it is as if I were possessed by a spirit who must speak out This three volume collection brings together Sharp's own correspondence a fascinating trove in its own right by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti Walter Pater and George

Meredith and the Fiona Macleod letters which bring to life Sharp's intriguing second self. With an introduction and detailed notes by William F Halloran this richly rewarding collection offers a wonderful insight into the literary landscape of the time while also investigating a strange and underappreciated phenomenon of late nineteenth century English literature. It is essential for scholars of the period and it is an illuminating read for anyone interested in authorship and identity. **New Masters of Poster Design, Volume 2** John Foster, 2012-02-01 This second edition of New Masters of Poster Design features the best poster designers currently working all over the world. Strong visuals accompanied by captions and profiles capture the essence of these collectible prints.
