Understanding the Borderline Mother Christine Ann Lawson,2002-07 The first love in our lives is our mother Recognizing her face her voice the meaning of her moods and her facial expressions is crucial to survival Dr Christine Ann Lawson vividly describes how mothers who suffer from borderline personality disorder produce children who may flounder in life even as adults futilely struggling to reach the safety of a parental harbor unable to recognize that their borderline parent lacks a pier or even a discernible shore Four character profiles describe different symptom clusters that include the waif mother the hermit mother the queen mother and the witch Children of borderlines are at risk for developing this complex and devastating personality disorder themselves Dr Lawson s recommendations for prevention include empathic understanding of the borderline mother and early intervention with her children to ground them in reality and counteract the often dangerous effects of living with a make believe mother Some readers may recognize their mothers as well as themselves in this book They will also find specific suggestions for creating healthier relationships Addressing the adult children of borderlines and the therapists who work with them Dr Lawson shows how to care for the waif without rescuing her to attend to the hermit without feeding her fear to love the queen without becoming her subject and to live with the witch without becoming her victim A Jason Aronson Book **The Beatles: The Illustrated Lyrics** Welbeck (INGRAM US),2025-05-08 The lyrics to the songs of the Beatles read like poetry This book treats them as such and illustrates each track artistically paying careful attention to detail and high design standards The stories themes and ideas behind nearly 200 songs are explored in this beautiful book that includes photographs artwork and illustration to bring the Fab Four s lyrics to life as never before
