Excursions in World Music, Seventh Edition Bruno Nettl, 2016-08-05 *Excursions in World Music* is a comprehensive introductory textbook to world music creating a panoramic experience for students by engaging the many cultures around the globe and highlighting the sheer diversity to be experienced in the world of music. At the same time the text illustrates the often profound ways through which a deeper exploration of these many different communities can reveal overlaps, shared horizons and common concerns in spite of and because of this very diversity.
