Bernie Sanders Colorado:

The Roads to Congress 2016 Sean D. Foreman,Marcia L. Godwin,2017-09-30 This book analyzes both local and national House and Senate campaigns in the 2016 election to reveal how distinctive campaign dynamics have a collective national impact. Featuring detailed case studies of ten competitive House races and twelve high profile U.S. Senate campaigns, the volume provides a deep analysis of campaign dynamics and the polarizing effects of the presidential campaigns of Donald Trump and Hillary Clinton. These studies are contextualized by four thematic chapters that cover the most salient talking points of the 2016 elections including voter registration laws and congressional candidates' use of Twitter. As penetrating as it is comprehensive, this volume provides readers with a fuller understanding of the divided landscape of contemporary American political campaigns.

2016: the Campaign Chronicles JD Foster,2017-01-19 How did Donald Trump, a man with zero direct political experience and no particular affiliation to either political party, go in the span of a two year campaign from preposterous aspirant to President elect of the United States? It will likely take years if not decades before a confident consensus develops but formulating an answer begins with chronicling the key events in the campaign in the country and sometimes in the wider world as they happened. This book is an attempt to provide such a chronicle by no means the last word but perhaps a useful and entertaining first word toward answering the question What the heck?

Cultural Engagement Joshua D.

Chatraw, Karen, Swallow, Prior, 2019-07-09 How should Christians approach important contemporary issues like war, race, creation, care, gender, and politics? Christians in every culture are confronted with social trends and moral questions that can be difficult to navigate. But the Bible often doesn't speak directly to such issues. Even when it does, it can be confusing to know how best to apply the biblical teaching. In *Cultural Engagement: A Crash Course in Contemporary Issues*, authors Joshua D. Chatraw and Karen Swallow Prior first offer a broadly accessible framework for cultural engagement and then explore specific hot topics in current Western culture, including Sexuality, Gender Roles, Human Life and Reproduction, Technology, Immigration, and Race. Creation and Creature Care, Politics, Work, Arts, War, Weapons, and Capital Punishment. Featuring contributions from over forty top thinkers, proponents of various views on the specific topics present their approaches in their own words, providing readers an opportunity to fairly consider options. Unique in how it addresses both big picture questions about cultural engagement and pressing current issues, *Cultural Engagement* provides a thorough and broad introduction useful for students, professors, pastors, college ministers, and any believer wanting to more effectively exercise their faith in

Separated Jacob Soboroff,2020-07-07 A New York Times bestseller and the seminal book on the child separation policy Rachel Maddow MSNBC co anchor and host of The Rachel Maddow Show Donald Trump s most notorious decision as president had secretly been in effect for months before most Americans became aware of the astonishing inhumanity being perpetrated by their own government the deliberate separation of migrant parents and children at U S border facilities Jacob Soboroff was among the first journalists to expose this reality after seeing firsthand the living conditions of the children in custody But beyond the headlines the complete story lay untold Developing sources from within the Trump administration who share critical details for the first time Soboroff reveals how such a humanitarian tragedy now deemed torture by physicians happened on U S soil He also traces the dramatic odyssey of one family from Guatemala where their lives were threatened by narcos as they seek asylum at the U S border where they were separated the son ending up in Texas and the father thousands of miles away in the Mojave desert of central California Soboroff then joins the heroes who emerged to challenge the policy and who worked on the ground to reunite parents with children In this essential reckoning Soboroff weaves together these key voices with his own experience covering this national issue at the border in Texas California and Arizona with administration officials in Washington D C and inside the disturbing detention facilities Separated lays out the human toll and makes clear what is at stake for America Los Angeles Times Book Prize Finalist American Book Award Winner American Bar Association s Silver Gavel Award Finalist Democratic Left ,1994 *The Impact of USA Patriot Act on American Society* Kam C. Wong,2007 Much has been written about the USA Patriot Act and the controversy that surrounds this far reaching legislation has also generated a great deal of confusion and uncertainty about its impact and importance in the war on terrorism As Professor Kam C Wong notes in this important contribution to the literature There is little scholarly research on the legislation implementation and impact of the Act Undoubtedly few Americans are actually aware of most of the details in the Act or its implications in a free society The events of September 11 2001 in attacks on the World Trade Centre and the Pentagon prompted a unique response by Congress in passing a series of wide reaching laws expanding the powers of law enforcement and the judiciary Of particular concern to many are the requirements of public and private organisations to provide information in connection with homeland security that is considered intrusive and in violation of privacy rights Ultimately it will be many years before the actual impact of the Patriot Act can be assessed In this new and important book Professor Wong provides a critical analysis of the legislation and its capacity for abuse National Farmers Union Washington Newsletter ,1994 *Supreme Court Appellate Division-First Department: The Thiel Detective Service Company, Plaintiff-Appellant, Against The William J.
